LOYALTY SONG

We're loyal to you, Tallula High
We're orange and blue, Tallula High
We'll back you to stand
Against the best in the land
For we know you have sand,
Tallula High, Rahl Rahl!
So crack out that ball, Tallula High
We're backing you all, Tallula High
Our team is our fame protector
On boys, for we expect a victory from you
Tallula High.
Cha-he! Cha-ha! Cha-ha-ha-ha!
Cha-he! Cha-ha! Cha-ha-ha-ha!
Bring out that dear old flag of orange and blue
Lead on your sons and daughters, fighting for you;
Like men of old, on giants placing reliance,
Shouting defiance, Osk-e-wow-wow!!!
Amid the broad green plains that nourish our land,
For honest labor and for learning we stand,
And unto thee we pledge our heart and hand,
Dear Alma Mater, Tallula High.
Dedication

We the members of the yearbook staff wish to dedicate this book to our new faculty. This is the first time in a number of years that a faculty has been entirely new in Tallula High School and we sincerely appreciate the way they are working with us in order that we may have a good education for our future.

From the beginning our new faculty has helped us very much and they will continue to help us until we graduate. We feel that we will always be greatly indebted to them.

**Maintainance Department**

One of the hardest working people in the school this year until he left us was Mr. Hinds. Mr. Hinds was always on hand to give any help when we needed it and he was always busy at something. Firing the furnace, sweeping, mowing the lawn, raking leaves, were his jobs. Although we will miss Mr. Hinds we are sure that Mr. Masten will fill the position very well.

**Board of Education**

The executive department of our Alma Mater is composed of seven legislators.

Mr. Quincy Spears presides as the President of the board and Mrs. Andrew Leinberger is Secretary and Treasurer. We think the seven members are all very capable people and that they are striving constantly to better the school.

Class History

In the fall of 1951 we started in high school as Freshmen. Our class then consisted of Marjorie Cummings, Russell Boeker, Mary Cummings, Shirley Treseler, Helen Smith, Cecelia Cummings, Stanley Sprinkle, Betty Pettit, Albert Maloney, Louie Leinberger, Barbara Greenwald, Jim Brown, and Nancy Moore.

One of the outstanding feats of our Freshman year was our Freshman Class Play from which we gained a lot of experience for our plays in the future. The play not only gave us some helpful experience but helped us to become a fairly wealthy Freshman Class.

Our Sophomore year we lost one of our old classmates Stanley Sprinkle and gained a new one Bob Taylor. As Sophomores we weren't too active but we had a wonderful year. Toward the end of the Sophomore year we lost Bob Taylor who moved to Ohio.

As we started into our Junior year we began to buckle down and really work. Our first big event was the Junior Play on which we worked very hard. Although we worked very hard on our play we were rewarded by a very large crowd and a lot of fun. After our play we lost another classmate, Mary Cummings left us and went to work. After Mary left we gained Kenneth Windle, who came from Flora. He had gone to Grade School here a few years ago. Then at the end of the Junior year we lost Shirley Treseler who moved to Petersburg. By now we were a pretty rich class but Juniors always give the Senior class a Prom so one of our last activities as Juniors was to give the Seniors a Prom. We are Seniors now and all having a wonderful time, and I'm sure with all the training we've had we will be able to overcome any obstacles which may come into our path.

Class Prophecy

It was a beautiful June morning as I was winging my way across California in my private plane. As my private pilot, Jim Brown, and I passed over Hollywood, I focused my binoculars upon the MICRO MOLDEN MARE MOTION PICTURE STUDIOS. Suddenly I saw a familiar figure, it was Skipalong Scymore, the King of Cowboys. Skipalong was an old pal of mine in high school. I knew him then as Tom Sorrells. As we flew in over Berkeley, California and the University of California, I saw through the lens a scholarly looking gentleman. Suddenly it dawned upon me, this was the famous professor of hydrogen power and nuclear energy, Professor Albert Maloney.

Landing the plane, I decided to have lunch at the newest and most famous restaurant in Hollywood. Upon entering I met a familiar figure. It was Helen Smith. It seemed she owned this new restaurant and a string of several others throughout the United States. While waiting for lunch I glanced over the sport page of the local newspaper. One item read as follows: "Wrestling Tonight. The champion lady wrestler, '76 VS 'Terrible Tiny.'" On the poster was a picture of an old classmate of mine, Nancy Moore. Later after talking to Nancy, who had just come in for lunch, I found out her reason for becoming a lady wrestler. It seems as if Nancy got her desire for wrestling in her days at TCHS when she was always fighting Al Maloney off.

As we were eating lunch a tall broad shouldered young man walked in and sat down at the table across from me. Then I recognized him as Lou Leinberger. I called him over to the table and we began talking of old times. It seemed as if Lou went to the University of Illinois to study Agriculture and while there he played basketball. After making the All-American team four years straight he decided to play professional basketball. Lou then chose the Baltimore Beanpoles offer and now stars as one of the greatest players ever to play in that circuit.

As we talked Lou told me of Betty Pettit and where she worked. After lunch Lou and I went over to see Betty. It was the very famous night club, Club Cameo. Betty had just started her act doing the fan dance. While we were watching the act who should come in but Jake Boeker. Jake was a well known Hot Rod racer and owned a string of Hot Rod shops.

After leaving Lou, Jake, and Betty, I started looking for the remaining three classmates. Betty told me where to find Barbara Greenwald. Barbara had a shop for women on the corner of Hollywood and Vine. I went into the shop and there was Barbara. After talking for a while I saw Cecelia Cummings enter the shop. It seemed as if Cecelia was a lingerie model in Barbara's shop for women. After bidding good-bye to Barb and Cecelia, I boarded my plane for my New York estate. As I took one last look over California, in the suburbs of Los Angeles I saw a little brown cottage with Marjorie Cummings and five little bow-bows running around in the yard.

After seeing all my old classmates, my eyes grew tired and as we flew off into the future, I fell to sleep dreaming of our past.

"Footsteps to Success" might well be the motto of the Junior Class. Although they are the smallest class in the school, they are not left out when in any activities.

Some of the highlights of the Junior year were the Junior play, "Don't Darken My Door", the Christmas Dance, Snowman Land, and the Junior-Senior Prom.

The Juniors are proud of all the members in their class. There are Junior participants in every boys' and girls' club in the school. Some of these are G.A.A., F.H.A., Basketball Squad, and Baseball Team.

Basketball 1954-1955

The team scored 1094 points for the entire season for an average of 52.1 points per game. With a shooting percentage of 31% and a free throw shooting percentage of 51%, the team went on to win 10 games while dropping 11. Lou Leinberger broke the record for the most points per game by scoring 41 points against New Berlin. Jim Brown won the free throw crown with an average of .619. The Junior Varsity were not as successful in their contests as they dropped 15 and conquered 3 in regular season play. At the time of this writing they are eagerly awaiting a Frosh-Soph Tournament at Pleasant Plains.
