The ever-wise philosophy of Shakespeare, a well-known figure to all of us, illustrates our reminiscences in our 1960 “Sphinx”.

The folk who lived in Shakespeare’s day
And saw that gentle figure pass
By London Bridge, his frequent way—
They little knew what man he was.

Yet ‘twas the king of England’s kings!
The rest with all their pomps and trains
Are molded, half-remembered things—
‘Tis he alone that lives and reigns!

"I love her heartily;
For she is wise, if I can judge of her;
And fair she is, if that mine eyes be true;
And true she is, as she hath proven herself;
And therefore, like herself, wise, fair and true
Shall she be placed in my constant soul."—Shakespeare

We, the Senior Class of 1960, wish to dedicate our yearbook to our good friend, Mrs. Charlotte Satorius. Although our acquaintance with her began only last year when she worked with us as our Junior Class sponsor, we have learned to respect her as a leader, admire her as a teacher, and appreciate her as a friend.

As a leader Mrs. Satorius helped our class to achieve its goals and reap its rewards. In our junior year she very capably guided us through magazine sales, play ticket sales, and prepared us for our big social event, the Junior-Senior Reception. We are grateful to her for making these ventures happy successes. In our senior year she has been an inspiring business manager for the "Sphinx". In that capacity she has conducted sales of magazines, candy, Rubinf-off concert tickets, and the advertising in the year book. Through all of these activities she has provided the kind of leadership which young people need and like.

As a teacher, we can honestly say her ability is known, admired, and respected far and wide. Her students are proof of her ability. She has trained many commercial students so that when they leave P.H.H.S. they successfully fill good positions in the business world.

As a friend, we sincerely appreciate all she has done for us. She is always willing to help a student overcome a difficulty, even if it means giving up her own time. We feel she is truly interested in our progress. It is with this deep appreciation that we affectionately dedicate our year book to her.

“As You Like It”
What Is A Senior?

According to Webster, he is a person who is more advanced in dignity, rank or office—the elder.

By showing their respect to the "top brass", freshmen acknowledged the definition of the more advanced in rank.

Sophomores longed to be in their shoes, and juniors were envious of the one-year jump that they had on them.

Teachers hated to see them go and wondered what the future had in store for them.

When diplomas were handed out, seniors began reminiscing about the wonderful times they had as well as the embarrassing—the laughs, detention duty, the prom, straightening out their homework problems with friends, tough courses, football frays, and basketball battles.

All of these have helped seniors stamp out their greatness in P.H.H.S. and will greatly aid them in years to come.

Senior Class History

"Tomorrow and Tomorrow and Tomorrow"—Macbeth

This is a brief abstract, a record of glorious days.

"Tomorrow and tomorrow and tomorrow"—these words occupied the minds of eighty-eight freshman on August 28, 1956, as they first entered the portals of P.H.S. A little awed by the assurance of those already caught up in the relentless pace of high school activities, they set about electing their officers. They were: President, Brenda Page; Vice-President, Patty Tibbs; Secretary, Bill Houghton; Treasurer, Dick Moss; and Student Council representative, Russell Severns. The master spirits who guided their "petty pace from day to day" were Mr. Worthington, Mrs. Rebbe, and Mr. Maroscia. The freshmen were "full of sound and fury" on Initiation Day, but they were proud to be accepted and celebrated with a class party.

On September 3, 1957, seventy-four self-assured sophomores, though hemmed in by saucy doubts and fears, marched back through the doors of learning. Since all their "yesterdays have lighted" students the way to success, they carefully chose their officers: President, Patty Tibbs; Vice-President, Jim Eddings; Secretary, Bryce Monroe; Treasurer, Russell Severns; Student Council members—Shiryl Brauer and Larry Rebbe. The sophomores sponsors were Mrs. Peterson, Mr. McKee, and Mr. Hilderbrand. A major event was the Sophomore Stunt, including in scope "Green Pastures", Eskimo Land, and a TV show, all directed by Mrs. Peterson. A picnic at New Salem closed the year.

Knowing that "to return would be as tedious as to go o'er", the class went on as juniors into their busiest year. For their officers they elected: President, Bryce Monroe; Vice-President, Larry Rebbe; Secretary-Treasurer, Shiryl Brauer; Student Council representatives, Mick Higgenson, Roy Trickey, and Pat Tibbs. Mrs. Satorius, Miss Holloway, and Mr. Costigan were their sponsors.

Next came activities culminating in the Junior-Senior Prom. First, came the junior play "A Double Barrelled Detective Story". Under the direction of Mr. Costigan they "strutted and fretted their hour upon the stage". Mrs. Satorius was in charge of ticket sales and later of magazine sales. Miss Holloway managed the candy machines and candy sales. With the profits from these projects, under the able direction of Mrs. Satorius, they proudly produced their "Springtime Serenade".

Without having time to shake the stars from their eyes, they were whirled into their senior year on August 31, 1959. For their senior officers they chose Bryce Monroe, President; Patty Tibbs, Vice-President; Russ Severns, Secretary; Dan Bell Treasurer; Jim Eddings, Dick Moss, Shiryl Brauer, Georgia Lu Watkins, and Roy Trickey for the Student Council. Senior sponsors were Miss Terry, Miss Masters, Mr. Bagby, and Mr. Haddick.

Seniors have as their main new responsibility the publication of the year book. To raise money for it, Mrs. Satorius, as business manager directed the sale of magazines, Fanny May candy, and tickets for the Rubinoff Concert. The senior play, "Night of January 16th", directed by Mr. Cox, was given on March 31 and April 1. It was a tremendous success and yielded profit for the "Sphinx".

An amusing snapshot assembly on March 1, "The Family Album", directed by Miss Terry, added to the picture supply and presented the staff to the school. Interest in Shakespeare as the theme of the 1960 Sphinx made Senior Shakespeare Night on February 2 another memorable occasion.

Now, knowing that their "brief candle" was going out all too soon, the seniors faced the last few weeks with the satisfaction that they were almost prepared for tomorrows. The sparkle of the junior-senior Prom, the glory of Class Night, the quiet reverence of Baccalureate, all served to pave the way toward the "last syllable of their recorded time". On May 26, 1960, sixty-two seniors became as many graduates.

This is their tale, full of tears and laughter, signifying their past successes and future hopes.

Junior Class History

"They have their exits and their entrances"—"As You Like It".

The Juniors pause to remember their freshman days when they were a little awed by the thought of high school. Eighty-one of them chose as their freshman leaders, President, Mark Liggett; Vice-President, Phil Johnson; Secretary, John Moats, and Treasurer, Marion Eades. Their Student Council member was Jacque Killian. The class sponsors were Mr. Jones, Mrs. Rebbe, and Mr. Worthington. All remember with pleasure Freshman Initiation Day and their freshman party.

Not so very long ago they were sophomores. They chose as their leaders: President, John Moats; Vice-President, Sharon Severns; Secretary, Jody Sims, and Treasurer, Bob Schnapp. The sponsors were Mrs. Peterson, Mr. McKee, and Mr. Hilderbrand. They remember happily the sophomore stunt, "My Fair Lady", directed by Mrs. Peterson, and their sophomore picnic. Seventy-eight of them were represented in Student Council by Karen Hollis and Marion Eades.

The school year of 1959-1960 found seventy-three juniors entering their most eventful year. They chose as leaders President, John Moats; Vice-President, Bob Schnapp; and Secretary-Treasurer, Jody Sims. The faculty advisors were Mrs. Satorius, Miss Holloway, Mr. Beveroth, and Mr. Landis. Because of a tie they had four, instead of the usual three, Council members: Dean Nance, Marion Eades, Sharon Severns, and Cathy Yeager.

Juniors are concerned with earning money for the Junior-Senior Prom. The first major undertaking was the production of the junior play entitled "Gold in the Hills", presented on November 19th and 20th, under the direction of Mr. Cox. Mrs. Satorius directed the ticket sales with great success. Next the juniors, led by Mrs. Satorius, plunged eagerly into magazine sales. Throughout the year Miss Holloway supervised them in candy sales. These activities guaranteed the successful prom on May 20 at the Leland Hotel in Springfield.

The junior year was filled with many increasingly interesting activities. New subjects—commercial, advanced math, chemistry—new friends, and high plans for the senior year made the prospect bright.

"All the World's a Stage"—As You Like It.

"All the world's a stage", and all the sophomores merely players. They have their exits and their entrances and in their time have played many parts. At first the sixty-nine freshmen came creeping unwillingly to school for freshmen initiation on October 24. And then, their first class meeting followed when they selected for their officers: President—Larry Beaty; Vice-President—Diane McGary; Secretary—Susan Hurley; Treasurer—Dwight Brass; Student Council Representative—Ruth Ann Lounsberry. The sponsors were Mr. Worthington, Mr. Jones, Mr. Beveroth, and Mrs. Rebbe.

The next age shifts to the "wise and foolish" sophomores, sixty-six strong and all "roaring like furnaces". Their main part on the world stage was the sophomore stunt, ably directed by Mrs. Peterson. It featured "J. B.", some commercials, and musical numbers. A few sophomore parties, also, highlighted the season.

The activities were guided by the class officers: President-Larry Beaty; Vice-President-Judy Shawgo; Secretary-Diane McGary; Treasurer-Ruth Ann Lounsberry, Student Council Representatives-Howard Tuttle and George Melton; and the Class sponsors: Mrs. Peterson, Mr. McKee, and Mr. Garner.

Freshman Class History

"The friends thou hast, and
their adoption tried,
Grapple them to thy soul
with hoops of steel"—"Hamlet"

On a bright sunny day in late August, sixty-four anxious students proudly seated themselves for the first time as a Freshman Class. After a few exciting weeks they called their first class meeting to elect their class officers. With the help of the class sponsors, Mrs. Rebbe, Mr. Worthington, and Mr. Jones, they elected Russell Curry, President; Janet Eades, Vice-President; Norma Thomson, Secretary; Russell Eddings, Treasurer; and Gene Dowell as their representatives for the Student Council.

The Student Council gave the freshmen the usual warm welcome at the traditional initiation on October 15.

The Freshman Class is outstanding in their many activities such as Basketball, Football, Track, Band, and the newly formed Science Club.

They all greatly enjoyed their freshman party, the social activity of the year.

The Freshman Class is happily looking forward to the day when they may become sophomores.

Here’s to Petersburg forever,

May we always be so true,

May our courage never falter,

May we always be loyal to you.

Rah! Rah!

May your memory live forever,

And stand for all that’s right,

So let’s fight! fight! fight!

Early in the season of 1956, many of the freshman boys tried out for the football team. All but a few of those boys started out and played throughout the last four years. This season, like the others, held many an exciting moment for the boys as well as the fans.

The record for the season was three wins, and two ties, and four defeats.

On the night of October 23, 1959, the team readied itself for another encounter. This was not just another game: it was their home-coming. The wind was blowing with such force that the decorations on the field were whipped about with great force. With only seconds to go, the Mt. Sterling squad threw a desperation pass that was caught in the end zone. The game ended with the score tied 6-6.

This team will last for many years because all the boys have learned to play as a team and will live in the community as a team. Their graduation will hold a great meaning to the boys. They will no longer be depending as much on the other for the block that let him make that winning touchdown, or helped him make a tackle.

We shall all miss them.

The graduating squad consists of Russ Severns, Jim Eddings, Dick Shawgo, Mick Higgerson, Bryce Monroe, Jim White, Sam Ishmael, Warnings Lewis, Tim Lynn, Dan Bell, and John Whitley.

The 1959-1960 Petersburg basketball season was filled with many thrilling highlights and accomplishments.

For the first time in many years, the Blue Jays defeated their longstanding rival, Athens. While they were doing the job, they made it a game that will long be remembered by the players and students of P.H.H.S., for they beat the Warriors by a 30 point margin, 77-47.

The Jays were participants in the Waverly Holiday Tournament, and placed third in the Ashland Invitational Tourney. The squad went on in fine style, closing out the regular season with two straight wins and advancing to the finals of the Havana Regional Tournament. In this last, they defeated Tallula, 48-47, and Havana, 67-47, before being stopped short of a victory by Forman.

Under their new coach, Richard Garner, the Jays finished in a tie for third place with Ashland in the Abe Lincoln Conference and ended the season 15-11.

Intramural Program

Under the direction of Mrs. Rebbe, girls' physical education instructor, and Coach Garner, the noon hour brought much interest and enthusiasm to the physical education departments of Petersburg High School this year.

Both girls and boys participated in basketball games during the noon hours. These games were enjoyed by both the participants as well as the spectators.

Tournaments in volleyball, basketball, and badminton were held and the competition from the girls' physical education classes was keen. Approximately forty to fifty girls took part in each sport in the program. Both an intra-mural and inter-class tournament were held in each event.

Something of added interest this year was a co-ed volleyball game. A total of five games were played; the girls winning two and the boys coming out champs with three victories. Both boys and girls enjoyed this activity greatly.

After dancing classes were started, there was dancing in the gym once a week so that the dance students could practice.

The primary purpose of the noon hour program is to provide an opportunity to students to make good use of leisure time by engaging in wholesome recreation. The student body has enjoyed the activities planned by Coach Garner and Mrs. Rebbe, and we wish to thank them for their interest.

"Music oft hath such a charm".— "Measure for Measure"

The girls' chorus, under the inspiring direction of their new conductors, Mrs. Patricia Buscher and Mrs. Ann Blane, enjoyed a very successful year. Mrs. Buscher resigned in February to join her husband in Oregon, Illinois; Mrs. Blane began her work on March 1.

On November 13, the chorus joined with the other conference choruses at Ashland for the annual Abe Lincoln Music Festival. Professor Fred Precet, Concordia Seminary, was guest conductor for the evening performance.

Singing in a beautiful setting afforded by four large Christmas trees, two on either side of the gymnasium, the chorus gave a most enjoyable program on Sunday afternoon, December 20. The ensemble and several soloists were featured in a delightful program of Christmas songs and carols.

The vocal department of P.H.H.S. had a good representation at the district contest held at Taylorville. Four ensembles and nine soloists participated.

The Petersburg High School Band, under the capable direction of their new band instructor, Mr. Bassana, enjoyed another successful year.

The Marching Band, composed of forty-five members, added color and enjoyment to the half-time entertainment at the home football games. They performed various novelty formations in time to spirited marches.

One high-light of the football season's performances was "The Beatnik Band", which the band presented for the half-time show at the Homecoming Football Game.

In October the Marching Band marched through rainy weather to perform in the Western Illinois University Homecoming parade and mass band.

The Pep Band played at many school pep assemblies and between games at home basketball games.

The concert band participated in the Abe Lincoln Music Festival held at Ashland, November 13.

Thirteen ensembles were formed by the band members. With the help of Mr. Bassana, they readied themselves for district solo-ensemble contest held at Taylorville, February 27. Six soloists also participated.

On April 2, the whole concert band traveled to Taylorville for the district band contest.

"Uneasy lies the head that wears a crown"—Shakespeare

The Student Council, which represents the student body, is probably the busiest and most important organization at Petersburg High School. Its chief function is to build good morale and to contribute to school spirit.

During the year, 1959-60, the Council sponsored interesting and educational assemblies and important social activities—Freshman Reception Day in October to help the freshman and upper classmen get acquainted, the annual Christmas Homecoming Tea on December 23, the all-school Talent Show on March 16. In addition, the Council sold cold drinks at basketball games and helped out worth-while causes including the collections for Red Cross, the Salvation Army, and the World Clothing Drive.

Students elected to the Student Council were: Gene Dowell, freshman; Howard Tuttle and George Melton, sophomores; Sharon Severns, Cathy Yaeger, Marion Eades, and Dean Nance, junior; and Georgia Lu Watkins, Jim Eddings, Dick Moss, Roy Trickey, and Shiryl Brauer, seniors.

The Student Council elected as their officers: Jim Eddings, President; Dick Moss, Vice-President; Shiryl Brauer, Secretary; and Georgia Watkins, Treasurer. Miss Terry was their faculty sponsor.
I do desire we may be better strangers"—Shakespeare

The International Students Society was organized in September, with Miss Terry as sponsor. This year there is an enrollment of thirty-three girls. The purpose of the society is to further a closer relationship among teenagers of the world through exchanging letters.

The members correspond with young people of various countries, such as England, Scotland, Japan, New Zealand, and the Phillipine Islands. They often receive unusual gifts from them on such occasions as Christmas or birthdays.

The meetings are informal and spontaneous. The girls read letters from their pen-pals, display presents, and sometimes have especially interesting guest speakers. At Christmas the program concerned holiday customs in other lands. In February Roger K. Ogden showed his beautiful slides of Germany and entertained the club with his accompanying talk.

The special project for the year was a clothes drive for the Save the Children Federation.

They closed the calendar with the annual spring picnic at New Salem State Park.

Yea! Seniors,
This year was an eventful one for the Pep Club under the efficient leadership of the following: Phyllis Tuttle, President; Bryce Monroe, Vice-President; Pat Tibbs, Secretary; Russ Severns, Treasurer; with Mrs. Rebbe, Mr. McKee, and Mr. Landis, sponsors.

Many worth-while achievements may be credited to the Pep Club this year. Some of the members helped Mr. Landis make and sell pom-poms which were used at our Homecoming Football Game. The cheerleaders sold Blue-Jay banners to boost the morale of the members. Season bus tickets gave the members a chance to attend all the out-of-town games for $1.25. Mr. Landis and Mr. McKee accompanied the students on the bus trips to away games. The profit made on these projects was used by the Pep Club to help finance a dance and to purchase new sweaters for the cheerleaders.

On December 5, the Pep Club held its annual dance, the “Starlight Serenade”. The bandroom was decorated in silver and blue, carrying out the theme chosen by the decorating committee, under the supervision of Mr. McKee. By a popular vote at the door, Pat Tibbs and Mick Higgerson were chosen to reign as Queen and King for the evening.

Under the capable direction of Mrs. Rebbe, Mr. McKee, and Mr. Landis, the Pep Club held pep rallies before many games. The cheerleaders, with the help of Mrs. Rebbe, learned many new cheers which helped bring school spirit to a new high.
The annual Pep Club Dance, the "Starlight Serenade", was held December 5, 1959, in the high school band room.

The Pep Club officers, along with Mary Jane Behrends, chairman of the dance, and Mr. McKee, faculty adviser, planned the theme many weeks before the dance. They selected members from each class to serve on the different committees, which met several times before the dance to work out the details and to do actual work on the dance decorations.

Two weeks before the dance, the Pep Club met and chose the following candidates for Queen and King; Barbara Schonewise, Pat Tibbs Phyllis Tuttle, Jana Greene, Georgia Watkins, Bryce Monroe, Dan Bell, Jim Eddings, Russ Severns, and Mick Higgerson.

The morning of the dance, the committee members met in the band room to start decorating for the dance. Following the chosen color scheme of silver and blue, the following members worked from 8 a.m. to 5 p.m. to achieve the desired effect of a royal blue sky studded with a galaxie of silver stars: Judy Churchill, Susan Hurley, Cathie Schirding, Mick Higgerson, Dean Nance, Barbara Nance, Martha Brass, Phyllis Tuttle, Bryce Monroe, Shirley Brauer, Georgia Watkins, Joyce Leinberger, Jane Whalen, Judy Eilers, Ruth Ann Dirks, Janet Neumann, Gary Altig, Pat Tibbs, Russ Severns, Dick Shawgo, Lewis Powell, and Mary Jane Behrends.

By a popular vote at the door, taken the night of the dance, Pat Tibbs and Mick Higgerson were chosen to reign as Queen and King of the evening's festivities. They ascended to the throne, placed before a blue woven background with silver stars scattered across it.

Pat and Mick were crowned by Mr. and Mrs. John Liggett. The crown bearers were Pam and Beverly Bassana, daughters of Mr. and Mrs. Roger Bassana.

Wayne Eddings, four-year-old son of Mr. and Mrs. Junior Eddings, presented the queen with a dozen red roses.

Harold Curry served as Master of Ceremonies. The Queen and King, joined by their court, danced the first dance to the music of George Graham's Orchestra.

The dance will long be remembered by all who attended. It was considered one of the big social events of the 1959-60 school year.
The Commercial Course is one of the most important and practical courses in Petersburg High School. Two years of shorthand, two years of typing, and one year of bookkeeping are offered in our high school.

One of the objectives of the department is to prepare students for courses in Accountancy and Business Education, which they will pursue in college.

Another objective is to prepare students for life in the business world. Throughout the course, emphasis is placed on spelling, grammar, and speed and accuracy in skills.

One of the opportunities for employment, afforded to seniors through the State Civil Service Examinations, is the Civil Service Examinations. Mrs. H. P. Satorius of the high school faculty has been appointed as a state monitor. The test consists of three parts. The first is a two-hour test, evaluating the ability of the student in spelling, grammar, mathematics, and office skills. The second part is a test in various typing skills, including work in rough drafts, letters, and general typing ability. The third part is a test in shorthand, dictation, and transcription rates. If the student passes in each part of the examination, he is called by the State Department for an oral interview. This year twenty-seven students took part.

Another opportunity for employment offered to seniors is through the Federal Civil Service Examination. A federal examiner for this district conducted an examination in Petersburg High School for twenty-seven students.

Membership is open to all girls who have been instructed in sewing, cooking, and home care under the pleasant and capable supervision of the home economics teacher, Miss Holloway.

The year included the usual worth-while activities. Betty Curry attended the F.H.A. Summer Camp at East Bay and returned with many ideas to help the club. On September 22, the girls had a picnic supper at New Salem State Park. Because of the crowded school program, the club held their business meetings in the library at noon and ate lunch together. On December 2, all senior girls who had taken Home Economics took the Betty Crocker Test. Shiryl Brauer won the “Homemaker of Tomorrow” award. The girls enjoyed a bountiful pot-luck supper on December 1 before the Feitshans basketball game.

An unforgettable accomplishment was the Sweetheart Dance held on February 13, in the colorfully decorated bandroom. Joyce Greene was crowned Sweetheart Queen. She was escorted by Tom Grosboll. Her court consisted of Ruth Ann Dirks, escorted by Russ Severns; Shiryl Brauer, escorted by Harold Curry; Shirley Dawson, escorted by Dick Shawgo. Barbara Ruppel, last year’s Queen, crowned the 1960 Queen; Peggy Weatherby presided; and Shelia Bennett, daughter of Mr. and Mrs. Leonard Bennett, presented the Queen with a bouquet of beautiful red roses. The Hi-Tones of Ashland furnished the music.

In May the F. H. A. entertained their mothers at the annual Mother and Daughter Party.

Science Club

The newly organized Petersburg Science Club held its first meeting December 14, 1959. There were thirteen charter members present. The officers they elected were: President, Jim White; Vice-President, Bryce Monroe; Secretary, Anne Rawlings; Treasurer, Roy Trickey; Reporter, Laird Bennett, and quarter-master, Bob Schnapp.

By the beginning of the second semester, there were twenty members, and under the supervision of their sponsor, Mr. Jones, they began work on their projects. Some of the projects included experimentations with white rats, ripple tanks, and ultra-violet experiments.

The highlight of the year was the trip to Chicago for junior and senior members of the club. The trip was March 19 and 20, and the young scientists visited the Museum of Science and Industry, the Planetarium, and the Aquarium.

Second Row: Susan Hurley, Jody Sims, Bryce Monroe, Jim White, Roy Trickey, Barbara Moulton, Tim Lynn, Mr. Jones.

The Petersburg Chapter of the Future Farmers of America consisted of thirty-three active and industrious members. Officers elected to lead them through a successful year were: President, Russell Severns; Vice-President, Dick Shawgo; Secretary, Harold Curry; Treasurer, Marion Eades; Reporter, Tom Grosboll; and Sentinel, Harold Hollis. This group was under the able direction of Mr. Worthington.

On June 21, 1959, the boys traveled to the University of Illinois for the annual State Judging Contest.

The Sectional Fair was held at the State Fair Grounds at Springfield, Illinois, on August 24, 1959, with eleven boys of the Petersburg Chapter participating.

On October 3, 1959, the Land Judging Contest of Section 14 was held at Hartsburg. Petersburg placed second in this event. Among the individual honors were Harold Curry, third; Larry Beatty, seventh; and Jim Dunham, tenth.

On November 13, the Grain Show was held at Greenview with seven boys participating.

The Grain Contest was held at Lincoln on February 13; the local team placed fifth. Sam Heyen placed second in individual awards.

The Livestock and Dairy Contest was held at Glenwood and Auburn on April 9, 1960.

Carl Jones received the Sectional F.F.A. 1959 Farm Mechanic award for Section 14.

Over the Christmas vacation Tom Grosboll was selected to take a trip to Chicago along with other boys from the state. This event was sponsored by the Illinois Agriculture Association.

David Worthington received the 1960 F.F.A. Swine Award of Section 14.

In the latter part of April the Senior F.F.A. members toured a Farm Implement Factory at Moline and Rock Island. This is an annual event for the senior members. This tour is sponsored by a local implement dealer.
The library staff, composed of twenty-four girls, was one of the first groups to organize last fall. Under the supervision of their sponsor, Miss Masters, the library staff elected the following senior girls to lead them through the coming year: President, Mary Jane Behrends; Vice-President, Pat Tibbs; Secretary, Cathie Schirding.

Each library staff member was assigned a job during her free period. Eight girls served as student librarians, and sixteen girls served as pages.

The staff met twice a month in the library at noons. At these meetings they discussed events and the problems that had arisen while performing their duties in the library.

At Christmas, the projectionists joined the staff for their annual Christmas party.

On May 7, the officers and two voting delegates, along with Miss Masters, attended the state meeting at Bradley College, Peoria, Illinois.

On May 14, the entire staff traveled to Piasa for the meeting of the South Central Section of Student Librarians. Ruth Ann Dirks was elected Secretary-Treasurer of the South Central Section.
The high school library is becoming more and more a materials center. Not only are our books and magazines used more and more; but also our audio visual materials—pictures, slide films, and film strips, records, and films have increased use this year.

Our reading skills are improving and a better quality of books is being read.

Here as else where, a growing use of library materials is due largely to class instruction which is stressing library use.

Our library staff belongs to regional and state organizations of student librarians.

The projectionists give good service and both staffs are much appreciated by their school.

E. L. MASTERS,
Librarian

Junior High History

"Tis the mind that makes the body rich". —Shakespeare

The enrollment in the Junior High this year was one-hundred-three seventh graders and sixty-seven eighth graders. We had seven classrooms and shared the bandroom, shop, homemaking facilities, and gymnasium with the high school. We had seven full-time teachers and three additional teachers whom we shared with the high school.

This year the seventh grade was introduced to French as a language. Double class periods were allotted for language arts classes. New science texts and equipment were provided in keeping with the national trend of growing scientific interest. Extensive testing was introduced in the spring of 1959, which was a basis for ability grouping. For the first time, the Junior High was included in the hot lunch program.

The Junior High band, consisting of fifty-one students, went to the District contest at Quincy on March 19, where it received a second place rating. Three solos and one quartet received firsts; nine other groups were awarded seconds. A spring concert was held on May 17, in which both junior and senior bands participated.

Twelve people from the Junior High took part in the District Speech and Art Contest at Harristown on March 18. One first and five seconds were awarded to the speech contestants from our school and one second in art.

As an assignment in the eighth grade social studies class, students were asked to write an essay choosing from these two topics: "Flags Which Have Flown Over the United States", or "An Historical Spot in My Community". Five of the best essays were chosen to be entered in the D.A.R. annual historical essay contest. One of those was selected as first-place winner in the county.

The Junior High students were invited to attend and also to take part in special assemblies by the high school this year.

All parents of junior high students were invited to meet teachers and visit classrooms on November 12 at an Open House Reception.

On April 8, an Athletic Banquet was held in honor of the basketball team, coach, and cheerleaders.

On the last day of school, outstanding students were honored at an Awards Day where they were given letters, certificates, and honors recognition. Also, winners of the All-American Boy and Girl award, the Athletic Scholarship, and the DAR American History award were announced.
