The Bus Drivers Of District 201

"For He's A Jolly Good Fellow"

We wish to honor the bus drivers because they play a very important role in our school district. The responsibility of transporting nearly 500 students from all corners of the district to various schools in the community rests in their hands. These eleven bus drivers depart at 7:30 every morning, rain or shine, to deliver the children to school and return them home in the evening. Each of these men drives about 55 miles every school day. They cover the 142 square miles of the district bringing transportation to all children old enough to attend school.

It is with great pleasure that we express our appreciation to these men who drive the school buses of District 201.

Left to Right: George Atterberry, Floyd Bell, Warren Hayden, Lester Smith, Carl Morgan, Clinton Conn, Norman Albert, Arch Schroeder.

The Custodians

We recognize gratefully the good natured courtesy of these men who work to keep our school building neat and comfortable.

Class History

For the sixty-five seniors approaching “Graduation Time” the record of their high school days brings to mind many “Moments to Remember”. The lilting strains of “School Days” recall with nostalgia all the events of the high school years.

In the fall of 1957, eighty-one wide-eyed students, fresh from Junior High School, began their high school careers with “High Hopes”. They were filled with curiosity as to just what awaited them behind the “Green Door”. By the time they had gone through initiation day, they were well into the swing of high school life. They chose as their leaders, President, Mark Liggett; Vice-President, Phillip Johnson; Secretary, John Moats, and Treasurer, Marion Eades. They were represented on Student Council by Jacque Killian. They were the special “Teachers’ Pets” of Mr. Jones, Mrs. Rebbe, and Mr. Worthington, their class sponsors. The year was filled with many activities climaxed by the Freshman Party. They parted with cries of “See, You in September”.

PAGE TEN
Class History

Seventy-eight Sophomores did return in September of 1958, full of talk and plans of what their Sophomore year would hold for them. By now they had decided that high school was "Wonderful Wonderful". They chose to lead them through this year President, John Moats; Vice-President, Sharon Severns; Secretary, Jody Sims; and Treasurer, Bob Schnapp. The Student Council members were Karen Hollis and Marion Eades. The lively music from "My Fair Lady" brings back memories of the Sophomore Stunt of the same name, directed by Mrs. Peterson; and then it was spring, and all remember the class picnic as one of the highlights of the year.

The fall of 1959 found seventy-three juniors returning to take their place with upperclassmen, the "Wheels" of P.H.H.S. They chose as officers for this, their busiest year to date, President, John Moats; Vice-President, Bob Schnapp; Secretary-Treasurer, Jody Sims. On Student Council were Dean Nance, Marion Eades, Sharon Severns, and Cathy Yeager. The faculty advisers were Mrs. Satorium, Miss Holloway, Mr. Beveroth, and Mr. Landis. The class was convinced that "There’s No Business Like Show Business", by the Junior Play, "Gold in the Hills" directed by Mr. Cox, and presented on November 19th and 20th. Mrs. Satorium directed the business end of the production by managing the ticket sales. Miss Holloway led the class through-out the year in candy sales. "Someday you’ll wish upon a star and wake up where the clouds are far behind you" the class found themselves singing on May 20, 1960, at the prom, "Make Believe", presented at the Leland Hotel in Springfield. And indeed, their junior year was all but behind them and held only the class picnic to climax the year.

The fall of 1960 began for the class of '61 their "Wonderful Year". Sixty-five seniors chose as their last year’s leaders President, John Moats; Vice-President, Dean Nance; Secretary, Donna Bell; Treasurer, Marion Eades. The Student Council members were Judy Churchill, Sharon Severns, Deann Lutes, and Bob Schnapp. The class sponsors were Miss Terry, Miss Masters, Mr. Bagby, Mr. Haddick, and Mr. Bassana. The class entered into money making activities necessary to insure a successful yearbook. The girls sold Fannie May Candy under the direction of Mrs. Satorium. Then the entire class had the opportunity to use their "Personality" in selling magazines to the community. On January 27 the class used their talents once again to enter into a little "Show Biz" in the form of a skit written by Sandra Le-Sourd, for the Snapshots Assembly. This was also the time to present the Sphinx Staff to the school. Then on March 23 and 24, the class presented their senior play entitled "Mistakes at the Blakes" under the direction of Mr. Landis and Mr. Beveroth.

The class of '61 will recall many new and different things which they were privileged to experience. They took a Shakespeare trip to the University of Illinois to see the University production of "Twelfth Night". The lively sound of "At the Hop" recalls the after game dances sponsored by the Woman’s Club. On February 10, the Student Council sponsored a "Western Day", a big success with the whole school. "Apache" was the song of the day!

"I Could Have Danced All Night" was the unanimous opinion of the class at the prom on May 19, at the Leland Hotel at which the class of '61 were the honored guests. And very soon the solemn sounds of "Pomp and Circumstance" filled the air, and class of '61 ended their high school careers on May 29, 1961, in graduation exercises, climaxing Baccalaureate and Class Night activities.

And now that graduation has passed from reality to memory, the class of '61 pauses to relive the past four years. They know that wherever they may go or whatever they may do, they will always have these "Moments to Remember".

Junior Class History

"Memories Are Made Of This"

The juniors began their career at this “Swinging School” as sixty-nine freshmen. The high points of the freshman year were freshman initiation and the freshman party. At their first class meeting at P.H.H.S. they elected the following officers: President, Larry Beaty; Vice-President, Diane McGary; Secretary, Susan Hurley; Treasurer, Dwight Brass; Student Council Representative, Ruth Ann Lounsberry. The sponsors were: Mr. Worthington, Mr. Jones, Mr. Beveroth, and Mrs. Rebbe.

“The September Scoâg” found sixty-six sophomores returning to “The Halls of Ivy”. With the help of Mrs. Peterson they gave the Sophomore Stunt which featured “J.B.”. A few sophomore parties added to the merriment of the year. The “High and Mighty” officers were President, Larry Beaty; Vice-President, Judy Shawgo; Secretary, Diane McGary; Treasurer, Ruth Ann Lounsberry; Student Council Representatives, Howard Tuttle and George Melton. Their activities were guided by their sponsors, Mrs. Peterson, Mr. McKee, and Mr. Garner.

The most important event of the junior year was the Prom, presented with the help of Mrs. Satorius. It was held at the Leland Hotel in Springfield, Illinois. Many juniors were found “At the Hop” in “A White Sport Coat and a Pink Carnation,” but during the year they earned the money for the festivity. The first money-making project was the junior play, “Our Hearts Were Young and Gay”, which was directed by Mr. Landis and Mr. Beveroth. The next project was magazine sales under the direction of Mrs. Satorius in which Judy Kern was the high salesman. During the year juniors also carried on candy sales under the leadership of Miss Holloway. Judy Kern and Mary Grossbaier took care of the candy machines.

The juniors chose the following officers to lead them through their activities: President, Larry Beaty; Vice-President, Barbara Nance; Secretary-Treasurer, Susan Hurley; Student Council Representatives, Howard Tuttle, Judy Shawgo, and Butch Tuttle. Their hard-working sponsors were: Mrs. Satorius, Miss Holloway, Mr. Beveroth, and Mr. Landis.

Sophomore Class History

"Second Time Around"

One year has passed since sixty-four green freshmen nervously entered P.H.H.S. for the first time. To guide them through their first difficult year of high school, they elected Russell Curry as President, Janet Eades as Vice-President, Norma Thomson as Secretary, and Russ Eddings as Treasurer. Gene Dowell was chosen Student Council representative. As their sponsors, Mrs. Rebbe, Mr. Worthington, and Mr. Jones led them safely through the difficult moments of many occasions. Initiation Day, the high point of the freshman year, was enjoyed by all, including the apprehensive freshmen.

"From Bobby Socks to Stockings" was the theme of the new Sophomore Class when they returned this year. They elected the following officers: Al Davis, President; Russ Eddings, Vice-President; Martha Brass, Secretary; Lee Milligan, Treasurer. Bill Severs and Russell Curry were chosen Student Council representatives.

As a class project, the sophomores, under the supervision of Mrs. Peterson attended the marvelous show, "Ben-Hur" in Springfield.

On February 17, the class gave the annual Sophomore Stunt, also under the direction of Mrs. Peterson. With the participation of the whole class, scenes depicting the changes throughout the last century were given.

The Sophomore Party was held April 21. With the help of the Sophomore Class sponsors, Mrs. Peterson, Mr. McKee, and Mr. Garner, the party was a decided success.

Freshman Class History

"Bewitched"

On September 1, 1960, seventy-seven students proudly entered the high school for the first time as the Freshman Class. A few short weeks later, assisted by their class sponsors Mr. Worthington, Mr. Jones, Mrs. Rebbe, the class held their first meeting. They elected the following class officers: President-David Barbee, Vice-President-Gene Horn, Secretary-Judy Balster, Treasurer-Judy Gronewald, and Student Council Representative-Dennis Wethington.

On October 7, the Student Council held the traditional Initiation for the Freshmen. Prizes were given to Paula Boske for the most pigtails; Bonnie Barbee, for the most original hat; and to Betty McGary, Steve Finney, David Barbee and Rick Juergens, for the best initiation skit.

The Freshman Class participated in many school activities; chorus, band, Science Club, Wig’n Paint, basketball, football and track.

One of the highlights of the year was the Freshman Class party, held on October 6, in the bandroom of the high school.

The Freshman Class members are eagerly looking forward to the day when they will become Sophomores.

Two hundred and four enthusiastic students made this year's Pep Club the biggest ever. To handle the business, and to guide the club, these seniors were elected: John Moats, president; Dean Nance, Vice-president; Donna Bell, secretary, and Marion Eades, treasurer. They were assisted by Mrs. Rebbe, Mrs. Showalter, Mr. McKee, and Mr. Landis, the Pep Club sponsors.

Season bus passes were sold again this year to encourage attendance at out of town games. Bluejay Sweatshirts, also sold by the Pep Club, were worn with pride at many of the basketball games.

The very successful "Orchid Ball" was held in the Farm Bureau auditorium on February 26. The beautiful music of "The Shadows" was matched only by the elaborate decorations. Bob Schnapp and Judy Churchill were honored to be King Bob and Queen Judy for the evening. Joyce Leinberger, the dance committee chairman, worked very hard to make the annual dance the zenith of the social activities of this year's Pep Club.
Cheerleaders

"Petersburg Forever"

The cheerleaders of 1960-1961 were chosen by the Pep Club on September 14, 1960. Five girls chosen for Varsity cheering were: Donna Bell, Donna Edwards, Nancy Grosboll, Ruth Ann Lounsberry, and Judy Balster; three girls—Janet Eades, Holly Knuppel, and Jane Marcussen—were chosen to represent the Junior Varsity. These girls worked hard at practice throughout football season and basketball season.

On October 15, five of the girls attended the cheerleaders' clinic at Normal University in Bloomington and brought back fresh ideas and snappy new cheers.

During their 60-61 year, the cheerleaders backed skits, took part in Pep Club Activities, and decorated for special games. Once they decorated the basketball boys' locker room to boost the team's spirit.

Mrs. Carlajean Rebbe was the cheerleader sponsor until she resigned her teaching position in December. Mrs. Pat Showalter took her place for the second half of the cheerleading season. Both Mrs. Rebbe and Mrs. Showalter gave excellent leadership and helped the 60-61 cheerleaders to do their best.

"Mr. Touchdown, U. S. A."

On Monday, August 29, Coach Richard Garner and Assistant Coach Bagby called the first football practice for the 1960-1961 football season. Forty boys, including more freshmen and sophomores than juniors and seniors, turned out for the first practice. As the year progressed, however, the number of players decreased because of injuries until although the turnout was fairly large, only about five of the boys had had much actual experience. The remaining boys were going out for the first time, or returning to better what they had done last year. The season was worthwhile since the boys gained much experience.

The game that the squad played best was with Meredosia. It was close all the way. In the fourth quarter Petersburg rushed their men; Meredosia fumbled the ball and Petersburg recovered it to make a touchdown, a real break for them. Although it was a close game, it was the best one of the season.

Although the squad had a record of only one win and eight losses, it looks forward to a better season next year. There will be eleven lettermen returning as compared to only three this year. The seniors—David Worthington, Larry Hill, Marion Eades, and John Moats will be greatly missed.

The Varsity basketball boys of the 1960-1961 season have shown their fans much team skill and spirit. The bluejays ended their very exciting season with fourteen wins and ten losses. After having a slow start, the Varsity players caught fire and built up a fine record for themselves. The boys lacked the height that many of the opposing teams possessed, but they certainly made up for it with their fast breaks and teamwork. Several games to be remembered as thrillers were the Virginia, Mason City, Eastcon, and Meredosia games at home, and the Greenview game at Greenview.

The Jays honored their school by tying for first place in the Abe Lincoln Conference, and placing third in the Abe Lincoln Conference Tourney. This was the first year for the Petersburg team in the P.M.S.C. Conference. They placed fourth in the P.M.S.C. Conference and fourth in the P.M.S.C. Tourney. They ended the season by losing to Forman in the regional tournament at Havana.

The Orchid Ball

The Pep Club held the Orchid Ball in the Farm Bureau Auditorium on February 25, 1961, from 8:00 to 11:00 p.m. The chairman of the committee, Joyce Leinberger, and other committee members worked with the sponsors, Mr. McKee, Mrs. Showalter and Mr. Landis in making the ball a success.

Two weeks prior to the dance, the Pep Club met to nominate senior candidates for king and queen. Those chosen for queen were Donna Bell, Judy Churchill, Betty Curry, Sharon Severns, and Cathy Yeager. King candidates were Marion Eades, Phil Johnson, John Moats, Dean Nance, and Bob Schnapp.

The students voted for their choices of king and queen as they entered. Exotic orchids from Hawaii were distributed to all girls.

The coronation of the king and queen began at 9:30 P.M. Pete Lewis, Master of Ceremonies, read the accomplishments of each of the candidates as they approached the throne. He concluded with the announcement of those elected. The king, Bob Schnapp, and the queen, Judy Churchill, ascended the throne. Sandra Hollis, six-year-old daughter of Mr. and Mrs. Herschel Hollis, and Deborah Thomson, four-year-old daughter of Mr. and Mrs. Robert Thomson, were crown-bearers. Mr. and Mrs. John P. Liggett placed the crowns on the elected royalty. Mark Satorius, seven-year-old son of Mr. and Mrs. Dale Satorius, presented a bouquet of pom-poms and a white orchid to the queen.

Bob and Judy, accompanied by their court, then led the dancing to the music of “The Shadows”.

The ball, the main social event of the year, was a beautiful success.

High School Chorus

“Do Re Mi”

The Petersburg Harris High School Chorus, under the able direction of Mrs. Ann Blane, had a very successful year. They chose as their officers: President-Deann Lutes; Vice-President-Susan Hurley; Secretary-Treasurer-Janie Whalen. Judy Churchill and Susan Hurley were the accompanists. Nancy Bailey was elected Music Camp Representative.

The Chorus participated in the Abe Lincoln Festival in November at Greenview.

A Christmas program was also presented by the Senior High and Junior High Choruses in December.

In the Spring, the Chorus worked hard preparing for ensemble, solo, and chorus contests.

The final performance was the Spring Concert held in May.

The Band Parents, a very helpful organization, elected the following officers for the year: President, Mrs. Gerald Stier; Vice-President, Mrs. Fred Claussen; Secretary, Mrs. Edward Pike; Treasurer, Mrs. William Shaw; Publicity, Mrs. Walter Clyde Knous.

Here, they are working to prepare for the Band Dance, given on January 27.

We are grateful to them for their support.

Junior Play Usherettes
"I Enjoy Being A Girl"

The P.H.H.S. Band had sixty-six members in the 1960-1961 year. There were eleven seniors, thirteen juniors, sixteen sophomores, ten freshmen, and sixteen junior high schoolers. Band officers were chosen to be: President, Don Phelps; Vice President, Diane McGary; Secretary, Barb Nance; and Treasurer, Jane Whalen. Band committeemen were chosen also. They were Judy Churchill, Donna Bell, Deanna Lutes, and Linda Owen. This committee set up all the rules which had to be followed during band time. Fines were given for such offenses as chewing gum and talking at the wrong time. The committee also set up and enforced dress uniform regulations and proper manners for contest trips.

The marching band was organized early in the fall with Donna Bell as its leader. Its main function was to entertain at half time at the home football games. The band, however, marched in the Halloween Parade and also journeyed to Macomb to march for the Western Illinois University Homecoming and to play in the mass band on Western's football field. These marchers practiced hard and diligently on the city streets during the day and on the football field at night.

The concert band practiced eighth hour on Mondays, Wednesdays, and Fridays. They played at pep assemblies and at home basketball games. As contest dates drew near, the band held extra practices on Tuesdays and Thursdays and during the evenings. The band was cut down to a smaller number for contest but all members played at the Spring Concert and at graduation exercises.

PAGE FORTY-FOUR
The solo and ensemble events were held the same as before but the band contests of district and state were combined to be one. It was held at Rock Island, Illinois. Nine solos and eleven ensembles represented Petersburg at the music contests.

Highlights of the bands year were the trip to Macomb, the Christmas caroling party in December, the Band Parents Dance, the district and state contests, and the Spring Concert.

"Need You"

Front Row: Sharon Severns, Deann Lutes, Judy Churchill, Judy Shawgo, Dennis Wethington.

The Student Council has been one of the busiest groups around P.H.H.S. this year. It has sponsored many entertaining and worthwhile programs and projects. It has endeavored to build school spirit and serve as a liaison between the faculty and student body.

The people elected at the first of the year to carry out these duties were: Freshman, Dennis Wethington; Sophomores, Bill Severns, and Russell Curry; Juniors, Thales Tuttle, Howard Tuttle, and Judy Shawgo; Seniors, Judy Churchill, Deann Lutes, Sharon Severns, and Bob Schnapp. All worked together under the excellent leadership of their President, Bob Schnapp, Vice-President, Sharon Severns, Secretary, Deann Lutes, and Treasurer, Judy Churchill. The faculty adviser was Miss Terry.

To start the year off, the Council promoted Freshman Reception Day ending with a Freshman Talent Show and a social hour. At Christmas the Student Council and the faculty planned the annual Christmas Homecoming Program and Tea. This year the Student Council sponsored, for the first time, Western Day. Almost everyone dressed up in Western outfits; and, at the end of the day all enjoyed the special program given by the Council and the junior girls. For all pay assemblies the Council sold the tickets and introduced the programs. Variety has made the year interesting.

Other worthwhile activities included such projects as the World Clothing Drive, collecting funds for the Red Cross, selling pop at the basketball games, and selling milk at noon hours.
The Key Club, which is sponsored by the Kiwanis International, is an international organization composed of boys who want to develop initiative and leadership, to provide experience in living and working together, to serve school and community, and to prepare for useful citizenship. The promotion of the Golden Rule, righteousness, justice, patriotism, and good will is also a part of Key Clubbing.

At the Charter Night Banquet, held on October 17, 1960, at a regular meeting of the Petersburg Kiwanis Club, the following officers were officially installed: President-John Moats; Vice-President-Bob Schnapp; Secretary-Dean Nance; Treasurer-Marion Eades. Mr. McKee was recognized as the club’s faculty advisor.

The charter year was an active one with many fund raising and service projects. The fund raising projects included a highly successful slave auction, taking of the concession stand at all the home football games, and selling candy.

As a service project the Key Club presented to the school a much needed record player and amplifier, including speakers. The printing and selling of school directories was also a service project. To serve the community, the members sold miniature crutches in the business district to collect funds for the March of Dimes.

The Key Clubbers enjoyed their first year of active participation in Key Club International and are looking forward to more projects which bring enjoyment by serving others. They are constantly looking for boys who show an interest in becoming a part of the Key Club organization—boys who would be proud to have as their motto, “We Build”.

"The Greatest Show on Earth", which made box office history when it was first produced, and which is still a top attraction wherever it is shown, was in Petersburg for one day only on Wednesday, April 19, at the Salem Theatre.

The showing was sponsored by the Senior Class of Harris High School and the entire proceeds will be added to the class year book fund.

The class is grateful to Mr. Hubbard for his generosity.
The members of the Future Homemakers of America elected the following officers for the ensuing year: Deann Lutes, President; Barbara Milstead, Vice-President; Sharon Severns, Secretary; Ruth Ann Thomson, Treasurer; Carol Vogt, Connie Behrends and Judy Gronewald, Recreation Chairmen; Betty Curry, Chairman of Projects; Mary Ann Bailey, Reporter; Karen Tibbs, Parliamentarian; and Mrs. Howard Severns, Chapter Mother. Miss Marguerite Holloway is the sponsor; Dora Watkins is the Chapter's honorary member. The total enrollment is sixty-nine, including eighteen new members.
The chapter colors are red and white meaning purity and youth; the flower, the Red Rose; the motto, "Toward New Horizons"; and the theme, "Our Platform-F.H.A."

Deann Lutes had the honor of attending the twentieth annual F.H.A. Leadership Camp in July at East Bay on Lake Bloomington.

Dixie Wilson was the winner of the Betty Crocker award for homemaking skill.

The F.H.A. made money during the year by selling fruit cakes during the holiday season and ice cream bars at the basketball games.

F.H.A. highlights for the year include a picnic at New Salem State Park; the F.H.A. Rally at Meredosia in October, during which the Chapter participated in a style show; and the annual potluck suppers. The spring activities were the party given on March 30 for the Future Farmers of America by the Future Homemakers of America, and the pleasant climax was the Mother and Daughter Banquet.

International Students Society

"We Get Letters"

The International Students Society is an organization of thirty-six girls who share an interest in corresponding with pen pals in foreign lands. The purpose is to increase international understanding. The only requirement for membership is the desire to write to a friend abroad.

Officers of the I.S.S. are: President, Barbara Milstead; Vice-President, Janet Magee; Secretary-Treasurer, Shirley Dawson. Miss Terry is the sponsor. Lunch meetings are held the first Wednesday of each month at which time letters are sometimes read or gifts displayed. Every year, however, has some special guest speaker.

At the December meeting Mrs. Marr of the Junior High School pleased the girls by telling of her trip to South America last summer. She made an interesting talk and showed her beautiful color slides taken on the tour.

Although the girls write to people in various lands, they are especially interested in Japan this year. As a project they are preparing a pamphlet of letters and pictures to send the students, taught by Miss Marilee Phelps in the school at Fukuoka, Japan. Marilee is an alumna of P.H.H.S. and a former member of I.S.S.

Science Club

"Look For A Star"

In the fall of 1960 the Petersburg Science Club, under the direction of Mr. Jones, began its second year of existence with only five members. The officers of the club were chosen as follows: President, Bob Schnapp; Vice-President, Al Davis; Secretary-Treasurer, Jody Sims; and Reporter, Barbara Moulton. The club took in three new members, Donna Bell, Linda Owen, and Jerry Smith, increasing its number to eight. The club is for science students and those taking higher mathematics.

The club's activities in the early part of the year centered around the high power telescope pictured with the members. The club took field trips with the telescope, observing the moon, tracking Jupiter and following other stars and planets. They helped to assemble and mount a clock drive upon the telescope, enabling the club to track stars and planets through their paths for a period of hours.

Further activities of the club included individual projects, blood typing, and group discussions. The club hopes to finish its year with a weekend trip to Chicago, to visit the planetarium, museums, and other points of scientific interests.

In the spring many members represented the staff at the South Central District meeting at Waverly and later at the state meeting in Macomb.
The Library

What is the Library?

In these fast changing times, the educational scene offers a great challenge.

School libraries are developing long range plans for new and increased services.

The library can offer more materials: books, pictures, films, records. It must teach the use of books and libraries; it should provide individual guidance. It can provide a pleasant atmosphere for reading and study and encourage its users to become people who think in order that we have citizens who not only can read but do read and appreciate the best in the many forms of communication.

The Commercial Course

"The Typewriter Song"

The Commercial Course is one of the most important and practical courses in Petersburg High School. Two years of shorthand, two years of typing, and one year of bookkeeping are offered in our high school.

One of the objectives of the department is to prepare students for courses in Accountancy and Business Education, which they will pursue in college.

Another objective is to prepare students for life in the business world. Throughout the course, emphasis is placed on spelling, grammar, and speed and accuracy in skills.

One of the opportunities for employment afforded to seniors is through the State Civil Service Examinations. Mrs. H. P. Satorius of the high school faculty has been appointed as a state monitor. The test consists of three parts. The first is a two-hour test, evaluating the ability of the student in spelling, grammar, mathematics, and office skills. The second part is a test in various typing skills, including work in rough drafts, letters, and general typing ability. The third part is a test in shorthand, dictation and transcription rates. If the student passes in each department of the examination, he is called by the State Department for an oral interview. Thirty-five seniors participated in the examination this year.

Another opportunity for employment offered to seniors is through the Federal Civil Service Examination. A federal examiner for this district conducted an examination in Petersburg High School for thirty-five seniors.

Speech Club

"Wig'n Paint"

"Yakety Yak"

A new organization at Petersburg High School this year is the Speech Club. "Wig'n Paint", the chosen name of the club, under the direction of Mr. Beveroth and Mr. Landis, was organized in November with a strong representation from the student body. The purpose of this organization is to promote interest in speech arts. Officers for the year were chosen as: President, Sandra LeSourd; Vice-President and Reporter, Susan Hurley; Secretary and Treasurer, Lee Milligan.

The first official activity of the club was the presentation of the annual Christmas homecoming play, "The One Gift", which was an immediate success. Mrs. Lawrence was kind enough to give those persons interested in make-up a demonstration. The members also presented several skits for the Pep Club. Plans are being made to present a program in April.

The Club enjoyed a very successful speech contest this year. The school was represented in eight of the nine individual events and in the dramatics competition. Four of the contestants advanced to the Sectional Contest.

Standing: Jane Marcussen, Linda Owen, Dick Cheaney, Nancy McGary, Mike Arnold, Al Davis, Russ Curry.

Seated: Shirley Dawson, Diane Erickson, Martha Brass, Richard Zuhlike, Brenda Schonewise, Sandra Shipley, Judy Boehm.

A cast made up of every member of the sophomore class plus Mark Satoriou, whom they borrowed from the First Ward for the occasion, gave a stunt before the high school and junior high, that took their audience back over 250 years. They used a time machine, supposedly a very new development in electronics, to bring back the past. They did not bother with the great personalities of American history. They tuned in the less known, the bizarre, and the legendary characters. They presented a witch from Salem; pirates from the days of Captain Kidd; a zombi, who had been a British soldier that was killed by Andrew Jackson in the attack of New Orleans; Uncle Remus; Paul Bunyan; Jesse James, robbing a train; Daisy Bell and Michael from the Gay Nineties, on their bicycle built for two; Frankie and Johnnie, from the “roaring twenties”; and last of all, a glimpse of the vanishing beatniks. The sophomores did a clever and highly entertaining job of presenting a program. The class officers are Alvin Davis, Russell Curry, Martha Brass, and Lee Milligan. The stunt was directed by Mrs. Peterson.

Junior High School History

Our junior high had 181 pupils enrolled in grades seven and eight. We had eight full-time teachers and five part-time teachers. Several new features were introduced this year. The curriculum was altered in order to inaugurate the block-time plan whereby all pupils were assigned to a teacher for instruction during a regularly scheduled block or period of time, in our school, three or four periods a day. Pupils studied social studies and language arts on block-time. Our curriculum featured a core-program of instruction in language arts and social studies. Under this plan, our pupils made a smoother transition from elementary to junior high school and our pupils and teachers had an opportunity to get acquainted and obtain a better understanding of each pupil’s classroom problems. Our geography department was new this year; all pupils who studied geography did so in a room equipped for this course. A science laboratory was equipped so that all science pupils could study science in a room set aside for that purpose. Our French department was enlarged with the addition of language classes for grade eight. New this year, also, was an expanded and co-ordinated audio-visual education program directed by our principal, Dr. Ott, who selected appropriate films and gave talks which added to our understanding. Chorus was added to the curriculum. Five soloists, two ensembles, and thirty-six chorus members entered the district music contest with the following results: four soloists, first; one soloist, second; eighth grade octet, first; seventh grade octet, second; chorus, second; one pianist, second; one pianist, third; In the sectional, three firsts and in the state, one first and two seconds. S.R.A. — a laboratory method for improving reading skills and habits — was another new feature. In the spring, Dr. Ott administered a new series of tests (I.Q. and achievement) to all eighth graders. Test scores were used in guiding eighth grade pupils in selection of high school courses. Eighth grade social studies was strengthened by adding civics instruction. We think all these innovations helped our pupils get a better education.

In addition to subjects taught in the block-time arrangement, our curriculum provided departmentalization for these subjects—music, health, physical education, geography, science, math, French, and speech correction. Our math department had two teachers who helped us learn math and a little algebra. Our health and physical education departments provided for instruction in health and P.E. on the alternate basis. Our music department had two teachers—one for band and one for chorus. Thirty-six band members, thirty-two soloists, and eight ensembles entered the district contest with the following results: band, second; fifteen soloists, first; seventeen soloists, second; six ensembles, first; two ensembles, second. At the state contest there were eight soloists who received firsts and thirteens seconds.

By participating in various activities, pupils broadened their talents and abilities. One teacher trained pupils for a district speech contest in which pupils won two firsts and six seconds in declamation in the sectional contest. For two years in succession, our school had a first-place winner in the D.A.R. theme-writing contest. Our eighth grade pupils went on the annual trip to Springfield and had a profitable day visiting historic places and lunching in the park. Our library was enlarged this year with the addition of new books and shelves; a staff of student assistants worked in the library. All our pupils attended special assemblies in the gym, where we listened to programs, speeches, and pep talks. Some of our seventh graders had a poetry day and a Mexican market and fiesta project. Junior high pupils, faculty, and parents joined in a gala Christmas party and program; mothers served refreshments. Each pupil was assigned a home room where he received special instructions and report cards, heard announcements or studied quietly. One pupil placed first in the district, sectional and state art contest. Outstanding students were honored at an Awards Day Assembly.

The Junior High Pioneers enjoyed their most successful track season of the past five years. They won, easily, their local meets, fared well in the district and the lightweights captured second place in the sectional meet with five boys participating in the state finals.
