"It matters not how long we live, but how."

In this fast moving world, our days as Seniors of Harris High School are quickly drawing to a close. Since our first day as freshmen, we have progressed intellectually, physically, and mentally.

Our four years have been filled with academic instruction, dances, tests, assemblies, and sports. We are grateful to all our sponsors through these years, and especially to those of this our last year: Mr. Bassana, Mr. Braun, Mr. Haddick, Mrs. Showalter, and Mrs. Wankel.

Graduation is only a short distance away, but we look to the future for new goals to meet. We hope that we will continue in the atmosphere of "unlimited progress."

SCIENCE CLUB

OFFICERS

President . . . . . . . Paul Davis  Vice-President . . . . . . George Davis
Secretary-Treasurer . . Connie Shipley

The Science Club was a new organization added to PCHS this year. Meetings were held monthly. Each member was required to have a project on which he worked in his free time. Its membership numbered approximately sixty-five. This club, and its sponsor, Mr. Braun, represented the concern and interest of young people in the progress of science.

ELECTRICITY is your biggest bargain.
What else gives you SO MUCH...
costs SO LITTLE?
With the presentation of the school key to Connie Shipley, president of the Junior Class, by Cathie Grosboll, president of the Senior Class, the seniors are assured that their goal of "Unlimited Progress" will be carried forward.
