The 4th Annual Library Crawl begins on Saturday! Latzer Library, along with 124 other libraries, will be participating from October 1st through October 31st.

This is a fun time of visiting other public libraries and discovering their wonderful collections and buildings. And did you know that while you’re visiting other libraries you can use your Latzer Library card to check items out there?

Pick up your passport at Latzer Library (they will be available in both the adult and children’s libraries) and you’ll be ready to begin your adventure! Visit five or more other libraries, return your passport to Latzer Library, and be eligible to win prizes!

Happy crawling!
