HISTORY OF EVANGELICAL UNITED CHURCH OF CHRIST

In 1839 religious services were held in a schoolhouse on what was known as "Methodist Hill", the northwest corner of 13th and Zschokke streets. There were no ministers available to lead services but shortly thereafter, in 1840, a circuit-riding pastor, Joseph Rieger arrived to lead the German speaking people in worship and sacrament. Like other missionary pastors in the area, he helped to found a number of churches in Missouri and Illinois. In that same year he was instrumental in calling a meeting which began the Evangelical Synod.

His story and ours is interesting because New England Congregationalists from Connecticut had asked the Basel Missionary Society to send missionaries to serve among the German-Swiss immigrants on the frontier. Joseph Rieger was one of the first two of 158 who eventually came to America. Arriving in 1836, he spent

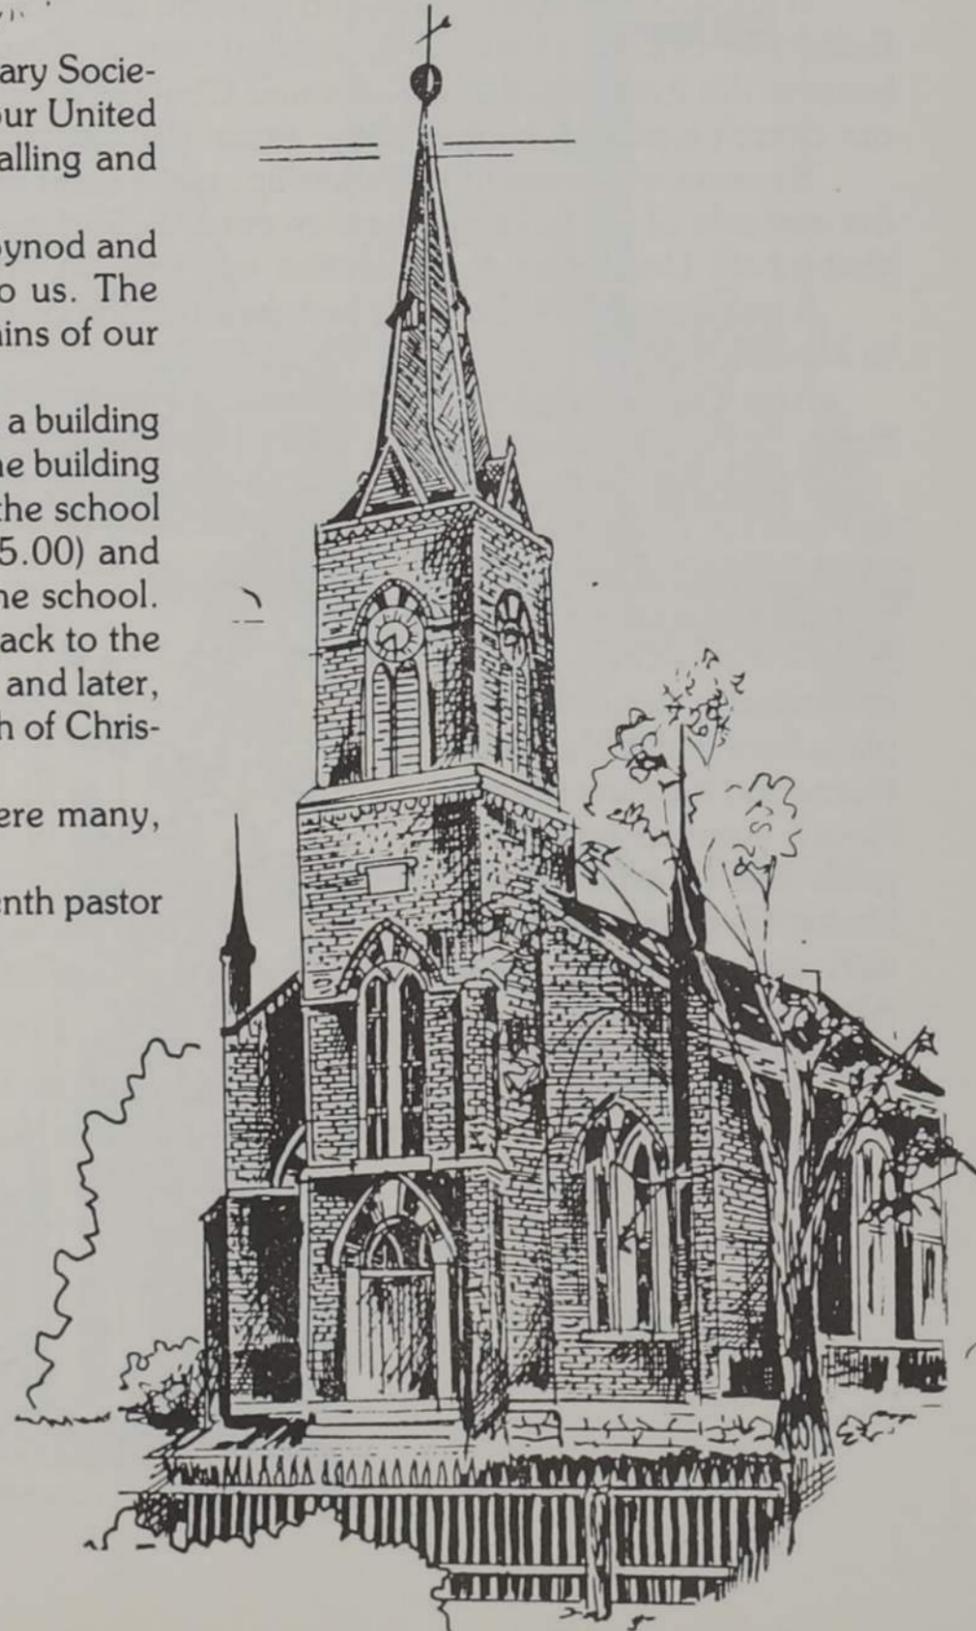

time establishing contacts in New York with American Home Missionary Society and the American Board for Foreign Missions, predecessors to our United Church Board for Homeland and World Ministries. It was their calling and financial support that allowed him to begin churches like ours.

Today the United Church of Christ combines the Evangelical Synod and those early New England Congregationalist, who brought them to us. The Evangelical United Church of Christ owes its beginning to both strains of our denomination.

In May 1843, the people of the community decided to construct a building on lots 8, 9, and 10 in block 4 presently 1013 Ninth St. This limestone building (twenty by forty feet) was used by the church on Sundays and by the school the remainder of the week. Because of the large debt incurred (325.00) and the inability to raise the needed funds, the building was sold to the school. The school kept it for only a few months, and in 1850 deeded it back to the church. The church was named the "German Evangelical Church" and later, around 1850, renamed the "Allgemeine Christliche Kirche" (a church of Christians of all denominations.)

The pastors who served during the period, 1843 to 1867, were many, most of them serving for only short periods of time.

On Easter Sunday 1867, the Rev. John Metelmann, the thirteenth pastor of the congregation, began his pastorate and remained for twelve years. Following him was the Rev. R. Rentschler, who served eight years. During Rentschler's term, many of the church organizations had their beginnings. One was the church choir, "Eintracht". Another was the "Frauenverein" (Ladies Aid Society, now called Women's Guild). This was the group of women who realized that a home for the aged should become a reality. From this vision and through their efforts materialized the Highland Home, which was at first church sponsored but is now a community home, the forerunner of present day assisted living. The membership of the church also increased, and 1878 a second church building was erected on the same site as the first church,

but in the course of the years following, proved to be inadequate for the needs of a growing congregation and large numbers of Sunday School students.

Due to the efforts and leadership of Rev. C.E. Miche, who assumed the pastorate in 1916, plans were made in 1920 to remodel the church building and erect a Bible School addition. Ground was broken on April 13, 1921, and the remodeled structure was dedicated to the service of God on November 6, 1921. His daughter, Miss Frieda, was director of all the choirs and served as organist and superintendent of the Sunday School.

In 1929, the church became a member of the Evangelical Synod of North America.

After completing a successful ministry of fifteen years, Pastor Miche resigned. On October 1, 1931, The Rev. Otto C. Bassler became the pastor, and proved to be an excellent successor to Rev. Miche. Rev. Bassler moved into the parsonage with Irma, his wife, and twin daughters, Inez and Ellen. In December 1932, a son, Otto Jr. was born to the Basslers. Under his pastorate, membership continued to increase and church activities expanded. Both Rev. and Mrs. Bassler were active in youth work, organizing the Malico and Lawolo Fellowships and the Joy Club. Summer Daily Vacation Bible School was started at this time. Sessions were held for two weeks and ended with an outdoor pageant, followed by an ice cream social.

In 1934, The Evangelical Synod of North America and the Reformed Church in the U.S. entered into a merger and became the Evangelical and Reformed Church, which made our church a part of a larger body. Again the name of the Church was changed and we became the "E & R" Church.

Because of increased membership, plans were made in 1934 to further enlarge the building. A large addition on the east side of the building was then erected. This wing contained a chapel, Bible School rooms, and a large basement dining hall. Dedication of the church was held on May 5, 1935.

It was during Rev. Bassler's pastorate that the congregation celebrated the centennial of the Church on October 27th to Nov. 3, 1940.

Rev. Bassler resigned his pastorate in Highland in December 1945, and in February, 1946, the Rev. Fred Allrich family, which included his wife Mildred and daughters, Elaine, Barbara, and Dorothea, moved into the parsonage.

Pastor Allrich took part in many of the Synod appointments to committees and commitments and served one year as President of the South Illinois Synod. Because of his close association with the Synod, Rev. Allrich was instrumental in supporting the plans for the Hitz Memorial Home and the New Athens Home. Another one of his goals was to establish the Under Shepherd System in our congregation. Mrs. Allrich took a leadership role in the youth activities.

In 1952, the church purchased the property on the corner of Eighth and Pine Streets and erected a parsonage there. The old parsonage adjacent to the church was used for Sunday School classrooms.

In March of 1957, Pastor Allrich resigned and preached his farewell sermon on June 1, 1957.

After a long courtship, the Evangelical and Reformed Church and the Congregational Christian Churches became the United Church of Christ in the summer of 1957. No longer would it be correct to call ourselves the E & R Church. Soon our name would be changed to the Evangelical United Church of Christ.

In August 1957, Pastor Victor H. Schoen, his wife Edna, and two sons, Douglas and David moved into the parsonage. Pastor Schoen was involved in many church and community activities. He served on numerous committees for the Illinois South Conference. He worked continually to bring co-operation and harmony between the different religious groups in Highland, striving for an ecumenical spirit. In 1960, he instituted the Dial-A-Devotion program, which is still being continued.

Through the untiring efforts and guidance of Pastor Schoen plus the work of many members of the congregation a new building was erected at 2406 Poplar St. on a seven acre site. The cornerstone laying services were held on Sept. 16, 1962 and dedication services on July 28, 1963. The church had a seating capacity of 550, with 17 classrooms and a large social hall.

In 1961, the church secured the services of Rev. Victor E. Langhorst as associate pastor. He retired in 1973 but continued to serve the congregation as Minister of Visitation for some time.

The Lutheran congregation purchased the church property on Ninth Street and also the parsonage. A new parsonage was built on the church property north of the church and in April 1964, the Schoen family moved into their new home.

Early in 1965, a free standing bell tower was constructed, especially build to accomodate the beautiful bells that had hung since 1880 in the belfry of the 1878 church. The bells were cast in St. Louis and the Wannamacher Bell Ringers Company, who supervised the moving of the bells, assured us that they were some of the finest quality around. The bells were installed in the new tower with electrically controlled ringers.

In the fall of 1965, the 125th anniversary of our formal legal organization as a church was celebrated. A pictorial directory was published with photos of the staff, organizations and members of the church.

In 1968, Rev. Wayne Hoffman, accepted a call to our congregation and became our first Minister of Christian Education. He worked with the Youth Fellowship and the Church School. Rev. Hoffman remained in Highland until of 1970, at which time he resigned.

In August 1971, Pastor Joseph Betsch, his wife Lou and children, Beth, Jeff, Peter and Molly moved to Highland from Xenia, Ohio. Pastor Joe assumed the responsibility of Minister of Christian Education.

Pastor Schoen ended his ministry in 1974, preaching his last sermon on Oct. 27, 1974. Due to his resignation, both Pastor Betsch and Pastor Langhorst had additional responsibilities during the interim period. The Rev. Glenn Martensen from Fenton, Missouri, agreed to serve as Interim Pastor and conducted Sunday morning worship services from Nov. 1974 to June 1975.

On Feb. 23, 1975, a call was extended to Rev. Kenneth O. Mesle of Town and Country, Missouri to become our Senior Pastor. His wife, Joy, and children, Deborah, Jeanne, Kenneth and Drew occupied the parsonage at 2324 Poplar St.

Under Dr. Mesle's and a small group of church members' leadership, the Faith Countryside Homes was started. The congregation provided the seed money to get a non-profit corporation initiated. A nursing home, (Highland Manor) and 20 acres of adjacent land were purchased. The FCH apartment complex was built in 1981- 1983 consisting of 84 apartments and a Senior Citizen's Social Center.

At this time approximately 65 lay people were asked to serve on church boards to assist the Consistory in governing the church.

Every December since 1983 the Pathfinders Sunday School class has held a "Bethlehem Revisited". The social hall is transformed into the marketplace of Bethlehem at the time of Christ's birth. Class members portray the vendors, Roman soldiers and the holy family.

Rev. Richard Schiemann joined the staff as Assistant Pastor from 1981-1983. During the period 1983-85, Pastor George Schuette served as Assistant Pastor.

The Rev. Gerald Brown, Administrator of FCH, was hired to assist the pastor in a part-time capacity and he served the church in 1986 and 1987. He resigned to spend more time developing Faith Countryside Village (Condominium duplexes for retirement living).

Pastor Mesle resigned to accept a pastorate in Florida. He preached his farewell sermon on Feb. 23, 1986.

Servings as interim pastors were Walter Grueninger (1986) and David Riebling (1986-1987).

The Rev. Keith A. Karau became the 26th pastor of our congregation in January 1987. His wife Betty, and daughters Jennifer, Stephanie, and Lindsay followed a trend of ministers to own their own home. They purchased a residence at 1803 W. Lake Drive. During this period the chancel renovation was completed which included new emergency exit doors in the front of the church, a new open platform design, new carpeting, and a new sound system. Memorials provided a new pulpit, lectern, choir rail and chairs for the choir and pastors. The parsonage was redecorated and rented.

On July 31, 1988, the 25th anniversary of the building of the church was celebrated with guest speaker, Rev. Schoen and his family participating.

Pastor Karau is currently serving on the Corporate Board of the United World Ministries and is chair of the World Ministry of Illinois South Conference and its Board of Directors.

Eden Seminarian, Paul Witmer served as a pastoral interm with us in 1987-88.

The Rev. Carol "Sprite" Johnson served as Interim Associate Pastor in 1988-89.

On July 23, 1989, Rev. Susan Sickelka was called to serve as a full time Associate Pastor as the church prepares to begin its 151st year of worship and service in Highland.

In loving memory of the pioneers and all the faithful people who made possible this history of 150 years, the congregation of today looks forward to the future with praise and thanksgiving, confident that the grace of God will go with all.
