Celebrating 175 Years
EvUCC has a rich history that began in 1840 when German-born immigrants gathered together to worship. Over the past 175 years the church has become the gathering place for an active faith family. We open our home to everyone with a welcome that doesn't end at the door.

Our Church Leadership

Senior Pastor
Chris Hill

In 2015 we will celebrate 175 years as a church. What a milestone that will be. We are the oldest church in the community of Highland with a history of sharing the Word of God with those around us. We are church who works hard at living out extravagant welcome, but at the same time recognizing we have plenty of room to grow in this area. At EvUCC we want people to feel at home

and hopefully be able to develop a beautiful relationship with Jesus Christ and those around them. Jesus welcomed everyone no matter where their life's journey took them. We are called to do the same with all of our flaws and weaknesses.

Our church directory is a way to help us continue to get to know one another. It is a way to help extend the welcome of Christ to those we meet. Our church directory shows the history that defines who we are and who we can become. It reminds us of our covenantal relationship as we work together to build up the Kingdom of God.

It has been my privilege to continue to serve this church as its senior pastor. It is my continued hope that we will always remember that we are called to serve our Lord and Savior Jesus Christ. May we continue to allow Jesus into our hearts as he empowers us to reach out to our community and truly welcome everyone.

Pastor Chris Hill, Senior Pastor

It is an exciting time to be at EvUCC! Here, we celebrate the idea of Extravagant Welcome, which means "no matter who you are, or where you are on life's journey...you're welcome here." God knows we all have some stuff to work on inside of us, but loves us deeply anyway. I am genuinely grateful to serve a church that honors all human life, where we try our best to replace fingers of judgment with open arms of Welcome. "God does not show favoritism." Romans 2:11

We are a church that tries to encourage one another to "take our next steps of faith" and that probably looks differently to each of us. So at EvUCC, a diversity of thought, experience, and background is necessary for us to be a thriving body of Christ. It is not important that we all share identical dogmatic ideologies, but instead, being able to celebrate the unique qualities and ideas of one another allows us to serve those in and outside of our church in greater capacities.

I believe the foundation is laid at EvUCC. Our spiritual garden is ready to bloom in a new season of growth. We are a church that is excited to meet the community and world's needs with prayer, giving, and service. We have tasted the fruits of what the Spirit can do when individuals say "yes" to loving God's people.

Church is not a building, nor is it a principle. Church is people, people who serve a God who creates, saves, and sustains them. So then Church is all around us, in Highland and abroad. Our job, our hope, and our prayer are to help change people's lives by humbly inviting conversation and opportunity for others to see the awesome power of Christ. Being messengers of Good News to the world is what the root meaning of "Evangelical" is. I pray we seek to be messengers of Good News at Evangelical United Church of Christ, where all are welcome, all have purpose, and all have a mission for Christ.
