Welcome to the Highland High School Alumni Directory!

The Highland High School was established in 1893, starting with a three-year course of study. The first graduating class was that of 1896, comprising nine members. At the start of the 1994-1995 school year the high school has close to 900 students and offers a full course of academic and vocational studies.

We are proud of the history of the Highland High School and Highland Community Unit School District. We hope all of our alumni share in that pride. This directory reflects hundreds of hours of labor to collect, sort, verify, and publish the names of our alumni. We hope it will serve you and others well in the future.

I welcome you to visit your school district. Attend one of our many co-curricular activities, visit teachers, or just come to reminisce. You will always be an important part in the development of this school district and we welcome you back at any time.

Sincerely yours,
James Burgett
Superintendent
To the Alumni of Highland High School:

Thank you for taking time to report your current addresses for the directory. Highland High School is more than brick and rooms. Highland High School is a history of what our students and past alumni have accomplished.

Recently Highland High School has been recognized for national honors. A successful school is like a fine recipe. People do not see all the ingredients that go into the product, they just see the end result.

While our school has changed buildings and teachers, the underlying philosophy remains the same. Students and teachers are encouraged to grow and excel.

We hope this directory will be a resource for you to get in touch with old friends and classmates.

Dr. Fred W. Singleton

IN MEMORIAM
PAUL J. DIEFENBACH

Teacher / Principal

For most students at Highland High School, he was just THERE. Whether quietly standing in the hall watching the students, or seated behind his desk, Paul J. Diefenbach, principal of Highland High School from 1959-1980, made his presence felt.

For some, he was the disciplinarian they didn't want to meet or know, and for others, he was a friendly figure who listened and advised. To all, he was very much a part of life at Highland High School.

Mr. Diefenbach came to Highland High School in the fall of 1952 to teach. A turn of events in 1959 placed him behind the principal's desk. The tragic death of Mr. Joseph White, principal, left a vacancy that needed to be filled quickly. The Board of Education selected Mr. Diefenbach for the position, a position which he held for 22 years.

During his years as teacher and principal, his influence touched the lives of thousands of students and teachers. He was always willing to listen to both sides of an issue. Those who knew him well learned how to read his facial barometer, which changed from pink to red to purple, usually indicating when limits had been met.
All graduating classes will remember his two famous annual speeches; the first given at baccalaureate practice, reminding the class that just couldn't manage to get lined up right that they had to be the dumbest he had ever seen come through four years of high school. The second, given at graduation ceremonies, introduced that same class to parents and friends by saying with all sincerity, “This is our graduating class and I’m proud of them and the achievements they have made.”

With his retirement in 1980, Highland High School lost a leader of great insight; an advisor who knew his students and teachers, and a man of direction who had helped Highland High School grow from a school of 300 to one of over 900 students. Under his leadership, Highland High School became known for the quality of education that it provides our students. Most of all we lost a friend.

In April of 1982, Mr. Diefenbach passed away after a lengthy illness of cancer.

(reprinted from 1980 Iris)
IN MEMORIAM
JOSEPH J. WHITE
Principal / Teacher / Coach

If former Highland High School students were to take a vote of their all-time favorite teacher from 1930-1958, Joseph White would probably win hands down. Mr. White came to Highland High School in 1930 to be our principal, teacher and coach. Mr. White introduced the sport of football to Highland High School. In the summer of 1958 there was an opening for superintendent of schools, and the board received an application from Mr. Joseph White. He did not submit a resume of his credentials, instead noting on the application, “If you don't know my capabilities by now, it won't do any good to list them here.” Mr. White was hired. Just days later the students that he influenced so greatly, as well as the community at large, were shocked and grieved to learn that Mr. White had been killed in an automobile accident without ever getting the chance to assume the role of superintendent. His death occurred on July 25, 1958. (reprinted from the 1987 Highland Sesquicentennial book)

An excerpt from the 1959 Iris reads: This stern but gentle man loved and was loved by all. He helped us; he set a good example. This busy man, no matter how busy he was, always found time for us. We could always take our problems to him and depend on his kind manner. We have grasped all that he has given us, and it will linger forever in our memories. Such a great man shall never be forgotten.
IN MEMORIAM
OLIN W. STRATTON
Teacher / Assistant Principal / Superintendent

No matter how you remember him, as a teacher, coach, advisor, assistant principal, or superintendent, Mr. Olin W. Stratton is a man who will long be remembered for his honesty, integrity, knowledge, kindness, and for being a friend of education.

Mr. Stratton began teaching in Highland in 1947. He was a successful teacher and basketball coach. In 1958, Mr. Stratton became Superintendent of Schools. He served in that position until his retirement in 1985. During his career as Superintendent, Mr. Stratton became widely known as a man who was to be respected. He was a member of many professional organizations and received many national, state and local awards and honors for his achievements.

After his retirement, Mr. Stratton served as Mayor of Highland for several years until his sudden death in 1991.
THE HISTORY OF HIGHLAND HIGH SCHOOL

When the Swiss-German town of Highland was founded in the early 1800s, one of its early founders, Soloman Koepfli, had dreamed of Highland having a high school for the town's youth.

That dream was fulfilled when, in 1910, the Highland graduates were finishing school with four-year courses under their belts. In 1913, with the assistance of a grant, a piece of land located on Lindenthal and Poplar (now 1600 Lindenthal) was purchased from Louis Miller. On February 24, 1934, the people of Highland voted two to one to build a kindergarten through 12th grade school building on the land. On October 15, 1934, Palmer L. Ewing, Superintendent of Schools, held a groundbreaking ceremony to begin construction. The school was officially moved from the square to its home on Lindenthal on September 16, 1935.

In September of 1936 classes began. The high school was located in the east wing of the building with facilities such as a library and a gymnasium / auditorium. The number of students grew and forced the town to build a separate school building to house the kindergarten through sixth grade classes in 1954. The number of students continued to rise and nine years later, in 1963, the building on Lindenthal became the high school, while the junior high classrooms, auditorium, music, shop, and agriculture classes were moved into the new additions built into the school. In June of 1968 an eight room annex (now the district's administrative offices) was added to the south end of the school property for the high school's benefit.
By the mid 60s, the high school enrollment had skyrocketed. The high school area was too small for the number of students it was supposed to house, so the Board of Education purchased 69.97 acres from Mr. and Mrs. Ray Winet and Mr. and Mrs. Eldon Grotenfedt on March 31, 1969. The land was located between the Grantfork and Marine Roads (now Troxler Ave.) and was to be home to the new high school campus. In March and April of 1970, Korte Construction Company contracted to build the Highland High School stadium, football field, track and parking lot. The new high school was finished in 1976, and students began attending classes that August. Since that time, many things have been added and changed to make Highland High School modern. New computers, revised classrooms, and an improved track are just a few of the things that have been included to help Highland High School become the respected school that it is. It has been recognized as a superior school by the State of Illinois, the North Central Association of Secondary Schools and Colleges, and Redbook magazine, and it was a National Demonstration School in 1967. Highland High School has become a well-known and admired school for its outstanding faculty and staff, modern and up-to-date facilities, strong curriculum, many opportunities in extra-curricular activities, and hardworking student body.

It is with much pride and anticipation that we present this alumni directory to our former graduates, past and present faculty and staff, and the people of our fine city of Highland, Illinois. This book is dedicated to all of you.

Written by Ms. Shannon Stueber '94 with information furnished from the 1987 Highland Sesquicentennial book.
ACKNOWLEDGMENTS

The tremendous help and cooperation received from a group of dedicated individuals contributed significantly to the success of the Highland High School Alumni Directory. Some of these people provided reunion lists, while others helped Highland High School and our publisher track down hard-to-find alumni information. All “went the extra mile” to make the Highland High School Alumni Directory as complete and accurate as possible.

On behalf of Highland High School and the Bernard C. Harris Publishing Company, Inc., we extend a most gracious “Thank You” to the enthusiastic supporters listed below and to everyone else whose efforts have made our directory a very special volume:

A very special “Thank You” to Sherry (Poss) Fletcher ’67 for all her time and hard work on the directory project. Sherry compiled the lists of Highland High School’s graduates, wrote editorial text and prepared the materials necessary to make the alumni directory. Without her efforts, this book would not have become a reality.

A special “Thank You” to Miss Shannon Stueber ’94 for her help with the history of Highland High School.
GUIDE TO THE DIRECTORY

BIOGRAPHICAL

Alumni are listed in alphabetical order. Following each name are class year, occupation — including employer name, address and telephone — residence address and telephone, spouse’s first name (italics), and children’s first names.

Alumni are cross-referenced if name used as student is different from current name.

Complete biographical data is included if a questionnaire form was returned or if it was possible to obtain the data by telephone. In all other cases only those alumni with current information in the Highland High School files are included. We apologize in advance for omissions or errors, and we urge you to send corrected data and information on missing classmates to:

RIDGEWOOD, NJ - The Ridgefield High School Class of 1980 held its 40th reunion Sept. 10 at the PGA Jersey Country Club in Franklin Lakes. The event included a special presentation by retired Ridgefield High School principal Beverly Jensen, who spoke about the school's history and current initiatives. Attendees enjoyed a buffet lunch, a raffle, and a chance to reconnect with old classmates. The reunion was organized by the Class of 1980 reunion committee, led by co-chairs Fred LaRocca and Pat Kroll. For more information, visit www.rhclassof80.com.
