TO OUR GRADUATES

In the past, hundreds of young people have graduated from Highland High School to go on to attain their goals of success. This year sixty-eight more seniors are entering their ranks. In the future, many more will graduate. It is to these graduates of Highland High School; past, present, and future, that we dedicate this, our 1952 IRIS.
 Highland High School  
Highland, Illinois  

To The Class of 1952:

Commonplace as it may sound, I am convinced that what each member of the Class of 1952 will get out of life is in direct proportion to what each one of you will put into it. Each Senior should hold uppermost in his mind that he owes society as much as society owes him.

If the above premises are sound, then make effective such things as brotherhood, kindness, sympathy, tolerance, human decency, freedom of opportunity. Yes, the very preciousness of life itself will require respect of your fellow man and constant vigilance. I hope that each one of you will work to achieve the good that is within you and that your years of public education have equipped you well for the tasks ahead.

I extend to all of you my sincere best wishes with the hope that good fortune will follow you wherever you may go and in whatever endeavor you may find your life’s work.

Sincerely,

John C. DeLaurenti

To The Graduates of Highland High School:

We are glad to dedicate this volume of the Iris to our graduates. Our school owes much to its graduates who determine the reputation of that school. When a student leaves school he is either a good or bad bit of advertising for that school.

The part the graduate plays in his community depends upon the training he has received, first in his home, then in the school, church, and community. His character has been molded by all of these agencies. Each of the above agencies plays a part in the formation of his character, how much each plays, varies with different individuals.

This dedication is in appreciation of our graduates, for we believe that for the most part they have been a good bit of advertisement for our school. We also wish to thank them for the loyalty they have shown to our school, and for the financial support which many of our graduates, as well as other members of our community, have given to many of our undertakings, especially this publication.

Sincerely,

Jos. J. White

The brains behind our school! These are the men who plan our school year for us. They hire (and fire) our teachers. If it were not for them, our school would not be what it is today.

What would we do without Lucille and Myrtle, who always seem to have an errand or a message for someone? Or Mrs. Senn, who does our clerical work? We truly appreciate everything they do for us.

Mrs. Senn, Myrtle Lebegue, Lucille Schneider.
Who cooks the meals that are served in the cafeteria? Who plans them? Why, Mrs. Hunkins, Mrs. Moore and Mrs. Hug, of course. We are grateful to these women for their assistance in maintaining our school.

The halls and rooms of our school are always clean, thanks to our janitors. The students of H.H.S. all extend a hearty pat on the back to this staff.
There is a time for work

There is a time for play

There is a time for decision
THERE IS A TIME FOR THINKING

THERE IS A TIME FOR LAUGHTER

THERE IS A TIME FOR PRAYER

OUR FACULTY

Trying to teach their students, prepare them for the future world, keep discipline in the rooms, and set a good example are only a few of the many thankless tasks which face our faculty. In the fields of art, music, literature, science, trades, homemaking, business, P. E., math, and social studies, these teachers try, to the best of their abilities to equip their pupils for life in the complex world of today. Although it may not always seem so, the students of H.H.S. are very grateful and would like to take this opportunity to express their thanks.

ACTIVITIES

COMMITTEE

The Activities Committee was formed this year, for the first time, to supervise school activities. It was to attempt to eliminate the large number of small group activities and to further the possibility of activities in which large numbers of the students participate.

ACTIVITIES COMMITTEE

The officers of this club are: Margie Schmidt, Pres.; Pat Foehmer, V-Pres.; Marjorie Iberg, Sec.; Kay Klaus, Treas.
The Bulldogs completed the first half of their baseball season fairly successfully. The Bulldogs finished second in the M. B. C. Conference, due to the loss of the play-off game with Pocahontas. Ending the regular season tied for second place with five wins and one loss in the Conference, Highland and Pocahontas agreed to play off the game in Greenville so as to give neither team the advantage of playing on their own diamond. The Bulldogs played a good game, but Pocahontas played a better one.

In non-conference games, the Bulldogs did not fare quite so well, winning two and losing two. The Bulldogs played Greenville twice, each winning one game.

The Highland team lacked experience due to the large number of rookies on the team. This should, however, lead to a good team in the future. The increased number of players coming from the surrounding area is pointing to more competition for each position. This ultimately will produce better teams for H.H.S.
Run James!!!

The Future Teachers of America meet once a month to discuss various phases of the teaching profession. In addition to attending these meetings, many of the members serve as cadet teachers under the guidance of both Elementary and High School Teachers. These experiences enable interested students to gain more knowledge about a possible future profession.

What do our halls need to make them more inviting? "Pictures!" say the members of the Art Club. This year it has been their goal to supply some of these pictures. They have also sponsored several art exhibits at the Louis Latzer Library, and seen movies of great artists and their work. At the Madison County Fair ('51) some art work won prizes, and this prize money was used to finance the annual weiner roast in May.
The members of the Library Club are all student librarians and assistants to Mrs. Wood. The purpose of the club is to enable its members to render valuable assistance in the maintenance of our school library and, through this work, learn the many skills and desirable work habits necessary for a librarian.

Cornet Trio: Dwane Houser, Russell Thiems, Darrell Neubauer.

Band Officers: Mr. Lyon, Darrell Neubauer, Doralee Rogier, Bill Tschudy.
The Highland High School Band was reorganized under the direction of Mr. E. Paul Lyon, who previously taught in Kentucky.

The band engaged in many activities during the year. Included among these were concerts, which helped the Band Parents Association to sponsor a trip to Champaign to see the famous University of Illinois Band. The trip was thoroughly enjoyed by all, and much hope was expressed for future trips of this sort.

Other important activities included participation by various members of the band in a band clinic at Alton, held during one of the fall teachers' meetings.

In March the various section leaders joined similar leaders from all over the country and participated in the Madison County Band Festival.

The band gained much experience and should perform much better next year as it is losing only three members in May. The two major ensembles were called upon by the community at various times to perform.

Boys' Trio: Roland Malan, David Rogier, Everett Rogier.
Accompanist: Doralee Rogier.

Girls' Octet: Kay Klaus, Grace Winter, Janice Hug, Beverly Menz, Eunice Casper, Doralee Rogier, Jeanne Essenpreis.
Accompanist: Pat Foehner.

GLEE CLUB

Miss Frances Ragsdale

There are four ensembles: girls' sextet, girls' octet, boys' trio, and the boys' octet. The Glee Club is under the direction of Miss Frances Ragsdale.

HIGHLAND BULLDOGS

Our team has not been so strong as it might have been because of the number of injuries this year. Russell Thiems, our rebounding center, has had a sprained ankle throughout the whole year. Sprained ankles were not limited to Russell. Jim Koch received a sprained ankle in a game with Pocahontas. Burnell Weinheimer, another good rebounder, has suffered sprained ankles since the start of the season.

Glen Gilomen has become the ace of the basket-makers. Carl Weiss, one of the better guards, has the fighting spirit which has helped urge our team on to victory. On the bench are many promising players. Coach Hilbert has expressed great hope for the players next year.

The Future Farmers of America is a self-supporting organization. They make their money by selling hot-dogs and candy at home basketball games. This club is made up of boys who have taken vocational agriculture for one or more years. They hold a meeting once a month, and have an annual Parents and Sons banquet. They also have other recreational activities such as hayrides, wiener roasts, and combined business-social meetings with the Future Homemakers of America.
Members of Future Homemakers of America have completed one semester's course in Homemaking prior to their initiation. With the skills gained in Homemaking classes, the girls encourage good home and family life for all.

Every second Thursday of each month the girls meet for a combined business-social gathering. Many of the social meetings held throughout the year are attended by members of Future Farmers of America.

The purpose of the Spanish Club is to further the members' understanding of our Spanish-American neighbors. One of the most interesting things experienced by the members was Spanish food, served at the initiation party.

The increased number of members in the club this year made it possible to have more interesting activities.

Intramural Basketball

Intramural basketball was organized so that all the boys and girls might take active part in some sport. During the noon hour of each school day, competition between the teams was keen. The girls played on Mondays' Wednesdays; the boys played on Tuesdays, Thursdays, and Fridays. The games lasted for fifteen minutes. Both players and spectators enjoyed this intramural program.

This organization was designed to further high school girls' interests in sports. They bowl every Wednesday evening in their own league and have play days at the Highland High School and at other schools. During these play days they participate in all kinds of games and athletic contests.

During the year they receive points for various unorganized activities and also for keeping a perfect health record. In these ways they earn letters for their sweaters as well as have a lot of fun.
IRIS STAFF

This year we have had the job (and pleasure) of publishing this, your 1952 Iris. Many times we were discouraged and almost gave up but, when we thought what it would mean to you in future years, we gladly went on. The staff only hopes that you enjoy reading it as much as we enjoyed working on it.
The Class of '52! It's hard to believe just twelve short years ago in 1939, we were forty angelic first-graders studying about Jim and Judy and their dog, Tags.

In second grade we were no longer new, and no longer angels. We did everything we could to harrass our teachers, and everybody called us the meanest kids in the school. In Junior High, Miss Wenger tamed us down a bit but we nearly drove Mr. Kaeding and Mr. Bailey wild. Mr. Bailey threatened us with paddlings, essays, and being sent from class, but his frantic efforts to make us be good and quit "argiein'" with him only made us meaner.

In 1948 we became Freshmen, the lowest form of human life. We bowed to the Seniors and obeyed their every command. Our Sophomore year we had more confidence but still didn't amount to much. As Juniors we gave the play "Gangway For Ghosts" and financed the prom "Toyland" with its tall wooden soldiers and its jack-in-the-box.

This year we proudly, but a little sadly too, took our places as Seniors. We did many things which we had never done before and many things which we will never do again as a group.

Now we are ready to make our way in the world of adults. The first part of our motto, "Today we march," has been fulfilled. The second part, "Tomorrow we rule," has been changed to "Today we rule."

Motto: "Today we march, tomorrow we rule."
