HIGHLAND
PUBLIC SCHOOL

A stylized graphic of an iris, rendered in dark gray. It features a central vertical stem that branches out into several long, narrow, pointed segments at both the top and bottom. Each segment contains a fine, repeating checkered or grid pattern. Two thick, horizontal dark gray bars cross the central stem, one above and one below the middle, creating a frame for the central text.

Dear Miss Lorenz,
Words cannot express our
deep appreciation for the help
and advice you have given
us during our four years
at H. H. S. Not only in our
class projects, but in our
individual problems, you have
taken an interest and offered
wise counsel. It is in an
effort to thank you for all
you have done, that we
dedicate our yearbook to you,
Miss Lorenz.

Sincerely,
Senior Class

OUR FACULTY

Our school is a wonderful place of vast privileges and opportunities and our faculty make this possible. Their spirit and vitality shined. Their bubbling personalities gave us confidence and surrounded us with friendliness and laughter. We know that to be a teacher one must make a great sacrifice, but if you'd ask them, they'd only say, "Our love for teaching makes up for everything. Our eager desire to bring light and happiness to the lives of hundreds is a great reward." What a wonderful bunch. How can we express our gratitude for what you've done? You have solved our problems and given us hope. You, the faculty, have done more than enough!

How could anyone secure the greatness of a man on a mere piece of paper? This stern but gentle man loved and was loved by all. He helped us; he set a good example. He favored not a few, but all. This busy man, no matter how busy he was, always found time for us. We could always take our problems to him and depend on his kind manner: "Hard to anger and easy to forgive." How could such a great man be expressed in words? How could anyone begin to tell of all his works? Principal, teacher, adviser -- he was all this to us; but most of all he was our FRIEND. His hand was always extended toward ours for help and guidance. Yes, we admired and loved our Mr. White as we still remember his kind and friendly manner. We all regretted that he had to be taken from us by an auto accident. We have grasped all that he has given us, and it will linger forever in our memories and in our school. Such a great man shall never be forgotten.

INTRA-MURAL

Although "defeat" was a common word during our exciting football season, our team showed spirit, sportsmanship, courage, and honor and of this we are proud. Our team of "1958" showed us that it's not always winning that counts. Victory also shined through this year as we defeated Vandalia 21-0, but defeat over Vandalia wasn't the only victory of the season because all of us realize that each individual ache and pain of the Bulldogs was a victory within itself. The boys were out to win, to win for us and, not one

single person in H.H.S. could express our gratitude and thanks for such an honorable team.

Not to mention the best, "Coach Kaufman", who not only gave the Bulldogs faith and hope, but he was the backbone of our team. He played the game with the Bulldogs, suffered with all their wounds and rejoiced with all our victories. We, the student body, would like to say, Thanks, Boys! Thanks, Coach! We're proud to be a part of your team!

H. H. S. HOMECOMING PARADE

On October 18, 1958, H. H. S. had its annual Homecoming Parade. Of all the parades H. H. S. has ever had, this one seemed to be the nicest. We had a beautiful day and many colorful floats.

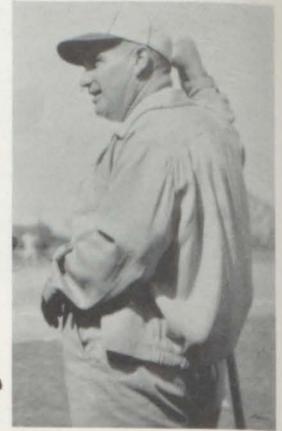

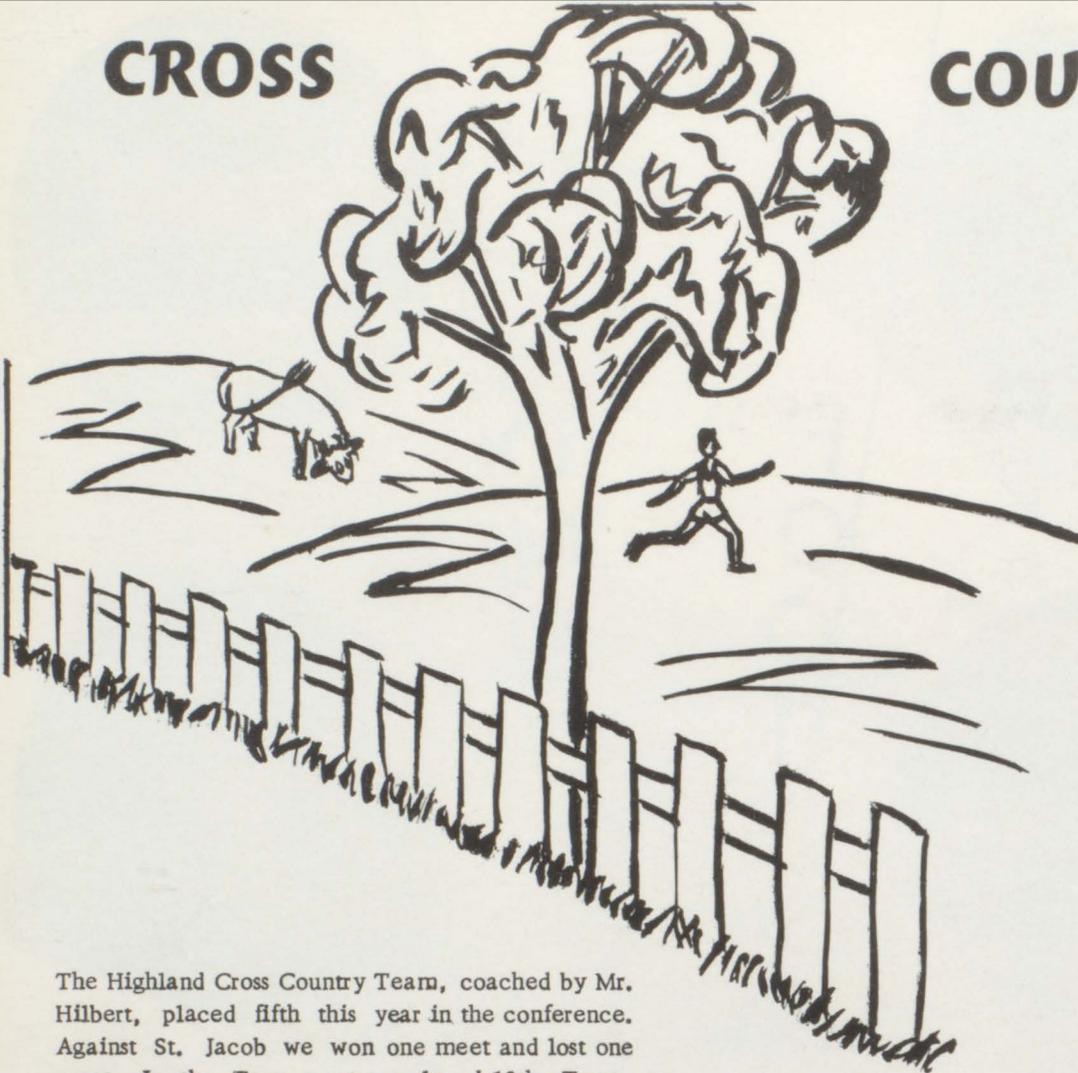

The Juniors took first prize with the cute theme, "Cage the Eagles". The Sophomores took second, and the Seniors took third.

CROSS

COUNTRY

Coach Hilbert

The Highland Cross Country Team, coached by Mr. Hilbert, placed fifth this year in the conference. Against St. Jacob we won one meet and lost one meet. In the Troy meet we placed 10th. To receive a letter in Cross Country you have to earn one point in one of the meets. To earn this point you have to place among the top five runners.

Coach Kaufman

During the summer, Patti Kaufman and Lorraine Poss went to cheerleading camp in Bloomington, Illinois. Cheerleading was changed! Now one can see distinct actions, sharp movements, snappy cheers and "Ready-O, Let's Go!" Cheerleading camp was a great tribute, and we hope it will be continued throughout the years.

In order to have enough money to go to camp again, the girls gave a Pizza Hop with the G. A. A., sold soda at Field Day, and the Student Council contributed sixty dollars.

The baseball team had a very good season under Coach Hilbert, although they only had a record of three wins and eight losses. They lost many games by only a few runs.

The team lost their first game in the baseball tournament by the score of 3-2. Highland was winning, 2-1, going into the first of the fifth inning; when two Collinsville runners scored on an error. A rally by Highland in the last of the seventh, failed to produce a run.

JUNIOR-SENIOR PROM

All the Juniors worked very hard to make the '59 Prom a success. The theme was "Southern Ball." Outside the ballroom was a Southern garden with a big bay window.

Inside the ballroom one saw the theme "Southern Ball" written in flashing blue lights across the back of the room. In the center was a crystal ball chandelier and a beautiful red satin centerpiece. At the other end of the room, was a balcony for the band. Del Hug and Allen Elder were the doormen, and Sharon Raymond, Patti Kaufman, and Roxana Creitz were the hostesses.

The dance music was furnished by Freddie Fisher. The Cotton Capers sang "Kentucky Babe" and "In the Evening By the Moonlight." Jerry Loyet played a medley of old Southern tunes. A group of Juniors danced the Black Hawk Waltz, also. All of the entertainment was splendid, and everyone enjoyed themselves very much.

The Senior Class of 1959 enjoyed a wonderful five day trip to Washington and its many beautiful surrounding places. This is a trip no one will ever forget.

One of the most interesting buildings we saw was the Washington Monument. It is the highest building of masonry in the world.

The United States Capital at Washington faces the east and stands on a plateau 88 feet above the level of the Potomac River.
