Dear Miss Lorenz,

Words cannot express our deep appreciation for the help and advice you have given us during our four years at H. H. S. Not only in our class projects, but in our individual problems, you have taken an interest and offered wise counsel. It is in an effort to thank you for all you have done, that we dedicate our yearbook to you,

Miss Lorenz.

Sincerely,

OUR FACULTY

Our school is a wonderful place of vast privileges and opportunities and our faculty make this possible. Their spirit and vitality shined. Their bubbling personalities gave us confidence and surrounded us with friendliness and laughter. We know that to be a teacher one must make a great sacrifice, but if you'd ask them, they'd only say, "Our love for teaching makes up for everything. Our eager desire to bring light and happiness to the lives of hundreds is a great reward." What a wonderful bunch. How can we express our gratitude for what you've done? You have solved our problems and given us hope. You, the faculty, have done more than enough!

How could anyone secure the greatness of a man on a mere piece of paper? This stern but gentle man loved and was loved by all. He helped us; he set a good example. He favored not a few, but all. This busy man, no matter how busy he was, always found time for us. We could always take our problems to him and depend on his kind manner: "Hard to anger and easy to forgive." How could such a great man be expressed in words? How could anyone begin to tell of all his works? Principal, teacher, adviser -- he was all this to us; but most of all he was our FRIEND. His hand was always extended toward ours for help and guidance. Yes, we admired and loved our Mr. White as we still remember his kind and friendly manner. We all regretted that he had to be taken from us by an auto accident. We have grasped all that he has given us, and it will linger forever in our memories and in our school. Such a great man shall never be forgotten.

Although "defeat" was a common word during our exciting football season, our team showed spirit, sportsmanship, courage, and honor and of this we are proud. Our team of "1958" showed us that it's not always winning that counts. Victory also shined through this year as we defeated Vandalia 21-0, but defeat over Vandalia wasn't the only victory of the season because all of us realize that each individual ache and pain of the Bulldogs was a victory within itself. The boys were out to win, to win for us and, not one single person in H.H.S. could express our gratitude and thanks for such an honorable team.

Not to mention the best, "Coach Kaufman", who not only gave the Bulldogs faith and hope, but he was the backbone of our team. He played the game with the Bulldogs, suffered with all their wounds and rejoiced with all our victories. We, the student body, would like to say, Thanks, Boys! Thanks, Coach! We're proud to be a part of your team!

THE H.H.S. MARCHING BAND

This year the marching band marched at the home football games and provided a little extra pep during the games. The band marched at Madison at the football game there also.

The marching band led the Homecoming Parade and had the Bethalto Band as their guest.
On October 18, 1958, H.H. S. had its annual Homecoming Parade. Of all the parades H.H. S. has ever had, this one seemed to be the nicest. We had a beautiful day and many colorful floats.

The Juniors took first prize with the cute theme, "Cage the Eagles". The Sophomores took second, and the Seniors took third.
The Highland Cross Country Team, coached by Mr. Hilbert, placed fifth this year in the conference. Against St. Jacob we won one meet and lost one meet. In the Troy meet we placed 10th. To receive a letter in Cross Country you have to earn one point in one of the meets. To earn this point you have to place among the top five runners.

FIELD DAY ACTIVITY
Under a new coach, our basketball team failed to perform in the usual manner of the other H. H. S. teams. There were only three returning lettermen. They were Dave Ramsey, Jerry Zobrist, and Clark Barnes.

However, the inexperienced boys did better as the season drew to a close. The season ended with a Varsity record of three wins and twenty-three losses.
The B-Team had an 11-11 record with many of the losses being by only a few points. The Freshman team also had a 500 season with a 6-6 record.
In order to have enough money to go to camp again, the girls gave a Pizza Hop with the G. A. A., sold soda at Field Day, and the Student Council contributed sixty dollars.

During the summer, Patti Kaufman and Lorraine Poss went to cheerleading camp in Bloomington, Illinois. Cheerleading was changed! Now one can see distinct actions, sharp movements, snappy cheers and "Ready-O, Let's Go!" Cheerleading camp was a great tribute, and we hope it will be continued throughout the years.
Tom blocks another shot while Dave and Dick come to assist.

Highland beat St. Paul 67 to 47 in tournament play at Vandalia. Highland later lost to Greenville by the score of 69 to 49.

Jerry rebounds Dick's shot.
At the Cahokia track meet, Ralph Hemann and Ed Guentensberger did very well. Ralph ran the one hundred yard dash and came in second. Ed jumped nineteen feet, five inches in the broad jump. The meet was won by Cahokia, and the district track meet was won by East St. Louis.

Roger Kesner, Coach of Track Team.

Ready to go. FROM RIGHT TO LEFT: Alan Hemann, Wayne Moss, Marcel Tarris, Larry Kaufman, Tom Ulmet, and Coach Kesner.

Wayne Moss tries the high jump.

The baseball team had a very good season under Coach Hilbert, although they only had a record of three wins and eight losses. They lost many games by only a few runs.

The team lost their first game in the baseball tournament by the score of 3-2. Highland was winning, 2-1, going into the first of the fifth inning; when two Collinsville runners scored on an error. A rally by Highland in the last of the seventh, failed to produce a run.

CHRISTMAS HOP
Our school days are priceless memories and preserving these memories is possible through the Iris. How often, as a deadline drew near, you would see everyone frantically arranging pictures and finishing last minute typing. At last all was finished, packed in a box, and sent to the publisher. The staff will never forget the laughs, fun, and hard work of producing this yearbook.
There were times we thought we wouldn't!
There were times we thought we couldn't!
Our minds are wracked,
Our backs are stooped,
The Bulldog is out and we are POOPED!!!!!

The Industrial Arts Club is a club composed of boys interested in making articles of use to them. The purpose of the club is to create interest in industry and materials pertaining to products used. Trips are planned for yours of local factories each school year and usually a social function is held each year. Mr. Roe, the shop teacher, is the sponsor of the club and does a very good job.

Clark Barnes, President; Carl Baumann, Vice-President.
The Art Club decorates the gym for band concerts and usually tries to take a trip to the art museum in St. Louis. Most of the members of this club are also taking art and learning about foreign painters, how to make posters, linoleum blocks, ceramics, and other things.

F.T.A.

The Future Teachers of America is an organization of students who want to become teachers. The club learns about the different colleges which would prepare the students to be teachers, the students cadet subjects they might teach in order to obtain some teaching experience.
The librarians are kept busy throughout the year checking out books to the students. They assist students in finding material needed for doing their assignment. They also find the proper places for the books and magazines when they are checked in and collect fines on overdue books.

The letterman’s club is an organization in our school consisting of boys who have earned two varsity letters. This year’s club consists of ten members. Some of the main functions of the club is to set up the inter-school track meet between the classes, organize the homecoming parade, and to assist in the annual Junior High play day.

Angie Gillespie, Mary Ludwig, Sandy Aemisigger, Doris Sander, Sandra Sanders, Norene Nungesser, Gladys Lueker, Ruth Sackett.
The F.F.A. is a national organization for farm boys who are involved in Vocational Agriculture. To be a member one has to have at least one year of Agriculture or be involved in Agriculture. Some of the projects that go on in F.F.A. each year are the parents and son's banquet, and a hayride. Just before school starts in the fall, the F.F.A. has an annual livestock show and later on, a grain show which we are quite proud of.
The Future Homemakers of America is a club consisting of girls interested in home economics. A few of the activities the local chapter engaged in were the Big Sister Party in September, the Initiation Party in October, and the Christmas Party in December. The F.H.A. also sold apples at the home football games.
HAVE ROCKET WILL TRAVEL was a continuous production of last year's junior Variety Show. The boys, Clem and Zeke, were sent to the moon and on their merry way they had to go through a lot of commotion.

This presentation was on April 10, 1959. The Class of '59 did a marvelous job on the script, direction and production of their outstanding event of the year.
On November 7, 1958, the Junior Class gave a play "Campus Quarantine", a comedy of college students caught in girls dorm with a house mother and a meek doctor and a lively bunch of students. Between acts students of the class presented Hula Hoop dancers, Charleston dancers, pantomines and a fashion show.

The Student Council is an organization composed of two freshmen, three sophomores, four juniors, and five seniors.

During the year, they plan and decorate for the Homecoming, plan the cheerleading elections, give the cheerleaders money for cheerleading camp, make new laws for the students to follow, and plan an all school party for all students.

Mr. Diefenbach, the principal, serves as sponsor. The Officers are: Dave Ramsey, President; Chuck Christoe, Vice-President; Sammy James, Secretary; and Jackie Riggs, Treasurer.

Barbara Fritch, Dona Weder, Ronald Knabel, Denny Ammann, Jerry Loyet.

JUNIOR-SENIOR PROM

All the Juniors worked very hard to make the '59 Prom a success. The theme was "Southern Ball." Outside the ballroom was a Southern garden with a big bay window.

Inside the ballroom one saw the theme "Southern Ball" written in flashing blue lights across the back of the room. In the center was a crystal ball chandelier and a beautiful red satin centerpiece. At the other end of the room, was a balcony for the band. Del Hug and Allen Elder were the doormen, and Sharon Raymond, Patti Kaufman, and Roxana Creitz were the hostesses.

The dance music was furnished by Freddie Fisher. The Cotton Caps sang "Kentucky Babe" and "In the Evening By the Moonlight." Jerry Loyet played a medley of old Southern tunes. A group of Juniors danced the Black Hawk Waltz, also. All of the entertainment was splendid, and everyone enjoyed themselves very much.

The Senior Class arriving anxiously at Washington. We were all wondering what to do next. Our luggage was sure heavy!

The United States Capital at Washington faces the east and stands on a plateau 88 feet above the level of the Potomac River.

The Senior Class of 1959 enjoyed a wonderful five day trip to Washington and its many beautiful surrounding places. This is a trip no one will ever forget.

One of the most interesting buildings we saw was the Washington Monument. It is the highest building of masonry in the world.
