

The book cover features a central vertical band with a red and black plaid pattern. This band is flanked by two large, triangular sections of a cream-colored, pebbled texture. Below these sections is a horizontal band with a decorative, dotted border. At the bottom, there is a section with a cream-colored background and a subtle, radiating line pattern.

For All Your Time . . .

For all the time you have dedicated to us, the students of H. H. S., we, the IRIS staff would like to dedicate this 1962 IRIS to you, Mr. Diefenbach, in sincere appreciation. Rarely do we take time to thank you for all the concern, effort, and patience which you have shown toward us during the four years that you have served as our principal. You have been a counsellor, disciplinarian, and friend, a willing listener to all our problems. No problem has been too small; no schedule too crowded that you would not find time to hear what we had to say. The guidance you have given has led many of us on toward our future goals. Your influence upon our lives has left an impression that will long remain with us.

In future years, as we look again through this IRIS, remembering our four years at H. H. S., we shall remember you with gratitude and appreciation and know that this dedication was only a small reward compared with the work you have done for us as a school and as individuals. And so we, the IRIS staff, take this opportunity to say "thank you," in behalf of the whole student body--for all your time.

Student Council

This year the Student Council put into effect many ideas brought back from the convention. The Senior of the Month worked very well; the All-Sports Homecoming has been changed to the fall; there have been many fine assemblies presented to the student body. All in all, the student council has been responsible for many of the students' most memorable moments.

President of the student body,
Russ Landolt.

The initiates

The basic goals of this club, to recognize and encourage a student's excellence in scholarship, leadership, character, and service to school and country, were supplemented by actions showing, especially, this character and service. Volunteer work on the local Red Cross drive for the community, and a panel discussion on Communism for the school and nation especially proved the latter. Still in the planning was a school employment service.

F. T. A.

The purpose of The Future Teachers of America is to prepare high school students to become future teachers. Cadet teaching enables members of the F.T.A. to gain practical experience in the classroom. Other activities of the organization this year consisted of lectures given by members of the faculty and a variety of movies pertaining to the teaching profession.

F. H. A.

The F.H.A., under Mrs. Loddick, worked from September to May helping its members improve their present living and prepare for the future. From a "Get Acquainted" party, through various affairs to widen the members' knowledge of social responsibility, to a "Mother-Daughter" banquet to show off acquired knowledge, the club had surely aided its members in improving their present and future society.

OFFICERS--Judy Reinacher, Treasurer; Mrs. Loddick, Sponsor; Carma Braundmeier; Margaret Frueh, Secretary; Barb Frey, President.

G. A. A.

The G. A. A., sponsored by Miss Lorenz, lived up to its goals of stimulating girls' interest in sports and promoting high ideals for sportsmanship this year with various athletic events. Most of all, bowling was stressed, as usual, in both state and class tournaments. Hikes of various kinds, and especially the overnight trip to Black River Lodge, plus the formal and informal "do's" of the year provided a most memorable school season for all members.

F. F. A.

One of the busiest clubs of the school this year, the F. F. A. consistently worked throughout the year, to develop an interest in agriculture and to improve its many aspects. In addition to emphasizing agriculture, the club helped to improve the student's scholastic ability and citizenship. From April, 1961, the club has participated in activities to develop knowledge of farming practices, especially the more modern modifications, and to aid the prospective agrarian workers in their future fields.

Library

Without our library staff, our students' research resources would still not be found. Each week the librarians reviewed many of the new books in the library. A weekly library letter was sent out to all classes promoting interest in the well-known novels, classics, and other books of student interest.

This small club has won the thanks of every H. H. S. student.

INDUSTRIAL EDUCATION

Whether repairing toys for an orphanage, participating in an intramural basketball game, or taking a field trip through Rankin Trade School in St. Louis, the Industrial Education Club seeks to develop leadership in civic, social, and industrial pursuits. During the past busy year, the organization has done much to create a deep interest for Industrial education.

A yearbook is a record of memorable events taking place in one school year. We, the IRIS staff, hope that as you look through this yearbook, a memory of a past activity or special occasion will be brought back to mind. Throughout the 1961-62 school year many events have occurred at Highland High. This year's staff has tried to put together a yearbook that will help you to recall some of your fondest memories of Highland High.

Pep Band

Pep Club

No sport is really a sport unless it is backed by a group of enthusiastic spectators. School spirit at H. H. S. has been greatly aided by the efforts of both the Pep Band and the Pep Club. Under the direction of Mr. Lyon, the Pep Band has shown that music can do much to lift the morale of spectators and players, even when the chips are down. Although still in the state of organizing, the Pep Club has likewise proved that when efforts are united, enthusiasm soars and victory becomes inevitable.

Guest appearances, a television debut, and a successful spring concert are just a few among many of the activities in which chorus members participated this year. The new A Cappella choir has already gained renown and proved that those "horrible" individual tryouts were well worth the frustration. Regardless of which choral group he belongs, a chorus member learns that music is important in his life.

Queen Gail - - Athlete Chuck

SPORTSLAND USA

Retiring Queen Jeanne yields her throne to a smiling and radiant Gail.

Sportsland, U. S. A. mythical center of American sports, was the theme chosen by the Student Council for the 1962 All-Sports Homecoming. The gym, usually used for athletic events, became a beautifully decorated coronation chamber filled to capacity with hushed and expectant people, waiting for the announcement of this year's queen and athlete. As the Keystones began to play, announcing the arrival of Retiring Queen Jeanne and Athlete Tom, all eyes turned to the gayly decorated red and black entrance. As the couple walked into the limelight, the audience burst into applause, and all eyes followed them as they proceeded to the stage and took their places. As each of the twelve maids and her escort entered and bowed, the tension mounted. At last the long-awaited moment was here. To an anxious and awaiting audience, master of ceremonies, Ron Knabel, announced that Gail Schott and Chuck Beichel were Highland High's choice for the 1962-63 queen and athlete of the year.

The football Bulldogs got off to the best start ever this year by defeating the Vandalia vandals. Under the leadership of Coach Prchal, the Bulldogs became one of the most feared teams in the conference. Ending the season with a 5 and 3 record, the best ever for the gridiron Bulldogs, the hard hitting Bulldogs plowed onward. The scoring threat of Ramach to Beichel was feared by every team played. Along with the fine record, the Bulldogs had three all conference players; Jay Boulanger, Tom Glassmaker, and Chuck Beichel. Highland High is proud of the fine job done by the Bulldogs during the 1961-1962 season.

Bob Moyer, only a sophomore, achieved an honor gained by few when he scored 47 points in a single game, breaking the school record. BASKETBALL AT H. H. S.

Although the Bulldogs didn't have a great season, their record of seven wins and sixteen losses does not tell of the good basketball they played. The Bulldogs finished fourth in the Midwestern Conference with a record of three wins and seven losses.

The season was filled with many exciting events. A couple of the top ones were the following:

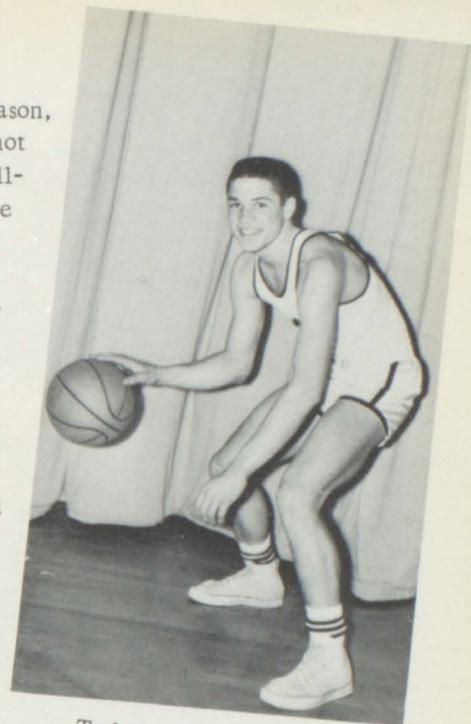

... A brilliant individual scoring spree by Bob Moyer against the Carlyle Indians. Bob's scoring 47 points set a new single game record. The old record was held by Bill Tuffle after he had scored 46 against Cahokia in 1954.

The highest score made by a conference team against the powerful, confident winning Madison Trojans. Madison 107, Highland 86.

The support shown by the Bulldog fans this season was very inspiring. The Pep Band lead by Mr. Lyon also meant a great deal to the Bulldogs when playing at home.

THERE'S A TIME FOR . . . REMEMBERING

Administration and Classes

ADMINISTRATION

The 1961-62 School Year will be remembered as an important year for advancement in our school. I believe every department and each activity has shown great improvement.

Some of the major accomplishments include: the Electronic Language Lab, New Physics and Chemistry Lab and equipment, new equipment for Industrial Arts, improved Library services, and additional equipment for the Business Education Department.

Of course, the approval given by the voters for construction of Junior High facilities for all 7th and 8th grade students, plus a new auditorium, new band and choral facilities, an Industrial Arts department with separate areas for drafting, woodworking, metal working and electricity, and a new Farm Shop area, have made this a banner year for our school. The efforts of the students, faculty and parents in helping to explain the above needs to the public is sincerely appreciated.

Thus, through cooperation we move toward the goal to provide "the best in education for each child."

Olin W. Stratton, Superintendent

Yearbooks have that wonderful quality of being of value for a long time. As you look through this yearbook for the first time, it will help you to recall many of the activities of the past year; but the extra value will become more apparent in the future as you reflect back upon your high school days.

This school year has been filled with so many activities in classrooms, on the athletic field, and in every other school-centered interest that all students have had ample opportunity to create pleasant memories and perhaps a few regrets. Whatever image of school years remain with you in future years, it will be my personal wish that pleasant memories will be outstanding and you may feel a personal satisfaction of a job well done in Highland High School.

GRADUATION

The last few minutes are always the longest.

Marshall Chuck Beichel consoles members of senior class.

Senior girls straighten caps and tassels before that fatal march.

Carma Braundmeier and Chuck Beichel were the marshals chosen by the senior class.

Baccalaureate services were aided by the choir of the First Congregational Church.

Mrs. Lyon calms anxious class members in the long moments before the processional.

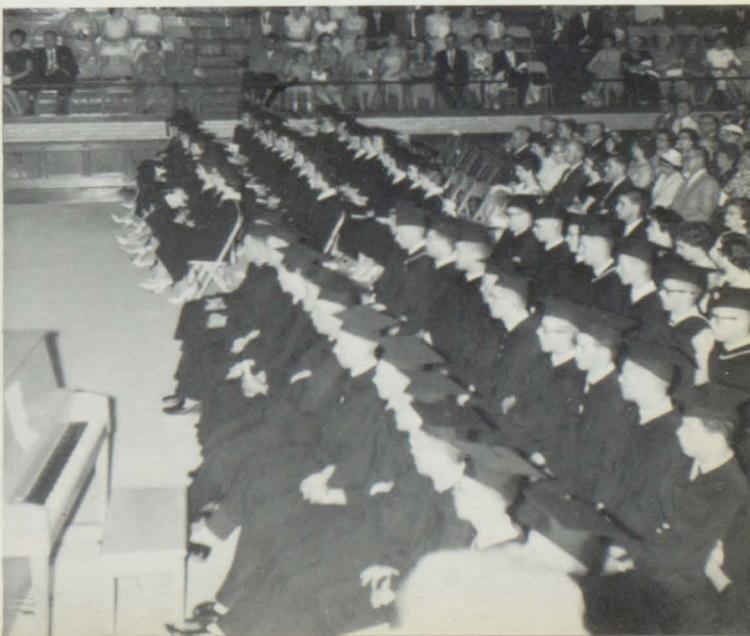

Somber and smiling faces reveal mixed emotions among the graduates.

Faculty members, relatives, and friends watch proudly as the graduates march into the gym.

Dr. Paul L. McKay, President of Millikin University, gives an "assignment for Life," as the graduates listen thoughtfully.

Senior Trip

The latest travel fashions.

Are you sure we'll only be gone five days?

Are trains ever on time?

Mrs. Lyon counts noses once more.
