The Road Not Taken

Two roads diverged in a yellow
wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted
wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to
way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

Robert Frost

Choices

Robert Frost's "The Road Not Taken" is one of the most popular poems in Modern American poetry. Its popularity is most likely due to its universal theme. Everyone has to make important choices in their lives. This especially applies to high school students because we are in the process of making college and career choices. We are faced with thousands of choices in our four years at HHS and it is our decisions that make each of us and each year unique. It is with this in mind that the 2004-2005 *Iris* Staff is proud to present the 2005 yearbook *Choices*.

Pondo or Mazzio's?

High school students have a very important decision to make: get a job and make money or spend their free time hanging out with friends and have fun? Many students chose work to save money for a car or just for some extra cash to spend shopping. No matter where you go in Highland you will most likely see a Highland High

School student working there. In addition to work many students are involved in various activities and clubs that also take up their time after school, not to forget homework, sleeping, eating, sleeping some more, or just driving around.

Jordan Howard, Sr., looks up as she takes a hungry customer's order at Ponderosa. Jordan has been a happy Pondo employee for a year and a half.

Brian Vosholler, Sr., uses the hose to clean some dirty tools at Korte Meat Processing.

Lindsay Fite, Sr., is joyfully serving yet another customer at the ever popular Mazzio's. Mazzio's employs several high school students and is a great place to go to eat after school.

Lazy or Crazy?

After school, students have a variety of activities they can choose from other than work. While some students were involved in school activities, others spent their free time off campus. With activities such as hockey and FCA, hanging out with friends, going to

sports events, or just going out to do anything, the possibilities were endless. Some students chose to play dress up while others chose to chill at parties. Whatever they chose to do they had a blast doing it!

Bobby Sylvester and Kaylee Scoggins, So's., prepare to spend Halloween night walking in each other's shoes; or at least wearing each other's clothes.

Joey McCubbins, So., washes a car at the FCA car wash to raise money on a hot summer day. Joey and many of his fellow FCA members had some fun while getting work done.

Kyle Ernst, Sr., shows off his physique and his awesome tie-dye shirt at a party at the Highland pool. "The secret to studliness is hard to discover; but I found it," said Ernst.

Jason Fillingim, Brian Vosholler, and Aaron Ripperda, Srs., dress up for a night on the town. "There are no words to express the nightmares I will have for the rest of my life, because of that night," said Brian Vosholler.

Keri Bryant, Sr., gives a surprised Justin Zobrist, Sr., a massage. "My senior year was a great year; I spent a lot of time with my friends," said Zobrist.

Curt Zurliene, Sr., relaxes in the gym before a volleyball game. Zurliene has been an avid volleyball supporter during his four years in high school.

Tom Pruett entertains his fellow cast members during a break on the set of *A Midsummer Night's Dream*. Pruett was a regular ham on the set, keeping the mood light.

Oberon the King of the Fairies, played by Tony Pellock, Jr., waits for news from Puck. Oberon ordered Puck to put a spell on Titania, the Queen of the Fairies.

Hermia or Helena?

Underneath the direction of Mr. Noud, William Shakespeare's A Midsummer Night's Dream took place in the Upper Elementary Auditorium on November 11, 12, 13, and 14. The play consisted of three different plots. Theseus, the Duke of Athens, plans a large festival for his upcoming marriage to Hippolyta, the Queen of

the Amazons. In the forest, the King of the Fairies tells Puck, the King's servant, to put a spell on the Queen of the fairies. Puck decides to have fun and puts the spell on two couples. Puck ends the play by asking the audience to imagine it was all just a dream.

Betty Gu, So., portrays the mischievous Puck. "I was really nervous even though I didn't have that many lines, but I'm glad I did it," said Gu.

Portraying Hermia, Amy Buckler, Jr., explains her love for Lysander to Demetrius, played by Scott Mans, Sr. Demetrius loved Hermia, but after Puck's spell he fell in love with Helena.

ottom, played by Tom Pruett, So., shows off his acting skills to his fellow actors. The laborers tried to decide who could play which role for the festival.

Juniors Natalie Henschen and Brett Lewis show off their fancy attire before going to dinner. Formal dresses and tuxedos are the traditional trappings for homecoming.

Proudly displaying his Gumby tie, Kyle Ernst, Sr. enjoys the dance. "I had to out do last year's hot pink tie, and I thought this one worked well," Ernst commented.

Senior Thomas Rose laughs at a joke Junior Alicia Toennis just made. "The world looks better through these glasses," said Toennis.

Coconuts or Palm Trees?

Homecoming week started off with a Tropical Paradise dance on Saturday. Competitions at lunch, such as lei races, hula hoop contests, and coconut bowling occurred during the following week. A powder puff football game, a bonfire, and Friday's football game against Triad were other activities the students took part in. The Senior class won the most points during these

competitions which made them the winner of the spirit stick. Despite a homecoming football game loss, the school had a fun time showing their spirit.

To every HHS student, the commons is simply a lunchroom, but during the Madrigal dinner, the commons was transformed into a magical place. The beautiful stain glass skylight enchanted and created a renaissance mood. This year's theme was "Topsy Turvy." This consisted of the

swapping of characters during the entire evening. For instance, Queen Meyer swapped places in the social ladder with her chambermaid, Raafi Marshi, Sr. who reigned over the magical night. As the audience enjoyed a catered dinner, they also became a part of the cast.

Allison Gruender, Sr. posing as a wench for night, flirtatiously tickles another cast member. Gruender said, "Being apart of the Madrigal dinner made my senior year even better, we had a great cast!"

Jake DeNap, Sr. and Betsy Gause, Sr. have a disagreement since DeNap thinks he is the perfect husband but Gause thinks otherwise. DeNap stated that "...that night we saw a 100 faces and we rocked them all."

Aaron Ripperda, Sr. participates in a town dance at the Renaissance Festival. Becky Fromme, Sr. was Ripperda's dance partner. Ripperda said, "...the town dance is something everyone can participate in, plus at the festival they teach you the dances."

One Fish or Two Fish?

The musical, "Seussical", was primarily made up of a collaboration of many of the Dr. Seuss stories. Many different characters came together to make an entirely new production with it's own story. The basis of this story line revolved around two different characters, living two different lives, in two different stories.

One boy, with a huge imagination, dreamed things that came true. An elephant, named Horton, heard little people inside a clover. One day Horton lost the clover. After a big search, which extended along the length of the musical, these two stories were joined.

Freshman Ethan Marshi, playing the role of Jo Jo, tells military General of the Butter-Side-Uppers, Robert Sumner, Sr., that fighting is pointless.

Dress or Tux?

Boys and girls dressed up for the 2005 junior-senior prom, "Up in Lights." As they walked down the red carpet into the Knights of Columbus hall on April 23, they were mobbed by the "press." Instead of the traditional king and queen, some seniors were awarded Oscars at the senior superlative award ceremony. The awards were given out to the best dressed, best aggie, class clown, most popular, best sense of humor, best looking, most athletic, cutest couple, class mom and dad, most intellectual, most likely to succeed, most musical, most artistic, and most dramatic. It was a beautiful and spectacular night in "Hollywood" that will be remembered by all.

Lifesavers was a fun way to meet people as well as a great opportunity to help out in the school. The Lifesavers were trained in many different areas so that they could effectively help the students of HHS. The group's biggest event was their weekend retreat in the fall.

During this weekend they practiced helping their peers. The Lifesavers also held monthly meetings where they continued to train and enjoy time together. Lifesavers was a group that has fun while learning to assist others.

Jessica Whaley, Jr., Michelle Henson, Jr. and Karen Frank, Jr. show off their matching Lifesaver shirts. The girls took time off from listening to have some fun and take a quick picture.

Listening to their speaker, the Lifesavers learn what it takes to help their fellow students. Christiana Mesle, So. said of the presentation, "I learned a lot from the speaker about what I'll be expected to do as a Lifesaver."

Putting their trust to the test, the Lifesavers take turns performing a "trust fall". The group did many activities to become prepared for the upcoming year.

Students Against Destructive Decisions tried hard to help students make better decisions for themselves. The problems that the organization dealt with were related to alcohol, drugs, and suicide. The club leaders organized many activities. Some of these activities

included Red Ribbon Week, a MADD presentation, and The No Talent Talent Show. Also besides the many important activities, the members got together each month to discuss any problems or upcoming events. SADD helped make the school year safer.

Jordan Howard, Sr., converses with member McKayle Keeton, Fr. "SADD is a great club. I love planning and organizing our fun events," said Howard.

Dedicated members Britney Done, Sr., and Tasha Corn, Fr., listen to the speakers of SADD. There were many informative discussions and speeches during the meetings.

This year's French club is new, improved, and better than ever! After many years of no meetings, and Friday nights filled with concessions, this year's French Club members started a fun, new club itinerary. Each month, a "French Fondue" night was held at one of the member's homes. At these monthly gatherings the club members spoke French, watched French films, and consumed large amounts of French food (such as Brie, Nutella, bread, and of

course, fondue!). As well as these get-togethers, this year's officers, seniors Danielle Rensing, President, Grace Shaw, Vice President, Jamie Baker, Treasurer, and Aaron Ripperda, Secretary, decided to take a few field trips to add more excitement to the club activities.

The French students pause happily in the midst of their journey. Here, the students crossed by way of ferry from St. Genevieve to Prairie du Rocher.

On a recent trip to St. Genevieve, a group of French students stop to visit with a French commoner. M. Valentini, Sr., S. Sauske, Sr., K. Duckworth, Jr., Aaron Ripperda, Sr., G. Shaw, Sr., C. Edwards, Jr., D. Rensing, Sr., A. Weiss, Sr., and B. Row, So., toured a common home of the time.

During a trip to Chicago accompanied by the Spanish students, four lone Francophones admire the architecture outside of the International Museum of Art. Seniors A. Weis, A. Ripperda, G. Shaw, and B. Wilson, also viewed the art inside the museum.

Seniors Grace Shaw, Ashley Zick, Ashley Volluz and Ashley Weis pause for a photo in the hotel lobby during the Spanish club trip to Chicago. Spanish club member Ashley Volluz recalled the trip as being "a fun experience that I am glad I got to spend with some of my best friends."

This year, the size of Spanish Club seemed to almost double in size as the Spanish III and Spanish IV students were added to the mix. With Mrs. Deets leading the way, along with Mrs. Twyford, the year was of course, exciting and unconventional. In October, the Seniors took off at 6:00 in the morning, for their destination, the

Pilsen District in Chicago. The year was also comprised of taco parties, pinata making, Superviviente challenges, and so much more. Mrs. Deets recapped the year by saying, "This has been one of the best Senior classes I've had in a long time and although I'll miss them, I'm looking forward to next year as well."

The Scholar Bowl team had a good season. The team participated in matches every Tuesday and Thursday. The goal of the scholar bowl team was to answer more questions than the other team. The team had a winning record of 14-7. Many members graduated this year but the sponsors hope that

The 2004-2005 season was one of the HHS chess club's best seasons ever. Their season got off to a great start with many wins at some of the earlier tournaments. The team's season culminated with a win at the state finals, making them the IHSA Class 2 state champions. The team was very happy with their victories and earned the title of "Lords of the Boards". Model UN was a great opportunity to use debate skills, as well as learn more about important issues concerning nations around the world. This year they took their research to three different sessions to debate about important international

Though many kids would not dream of giving up their Saturday morning, this dedicated group of students known as the Saturday Scholars could be found furthering their knowledge. This talented group of students was asked to attend a series of lectures and a field trip on different subjects. From holding a human brain to studying terrorist attacks, Saturday Scholars got the chance to see and learn about topics beyond the classroom.

After a sleepy bus ride to O'Fallon, Brett Korte, So., Eddie Delmore, So., and Kale Frank, So. anxiously await the lecture to begin. Nothing woke these boys up faster than a discussion on national safety.

Ashley Donnelly, So., Krystal West, So., Jessica Gruner, Jr., and Kristy Duckworth, Jr. became slightly nauseated at the sight of a human brain. To prevent nausea, they came to the autopsy on a full stomach.

At Anita Korte's graduation party, guests were greeted by large red balloons announcing the year.

Waiting for their names to be called, graduates listen to Superintendent Warner give the welcome.

Senior chorus members entertained the crowd. The gym overflowed with family and friends of the graduates.

beginning or **END?**

At 2:00 p.m. on May 29 the class of 2005 ended their public school educations when they accepted their diplomas marking the beginning of their futures. Michael Ruebhausen was valedictorian. Salutatorians were Colin Alber and Allison Gruender

Our new superintendent, Mr. Warner, and the members of the school board greeted the graduates and wished them well.

Jaclyn Franzen waits for Mr. Thomas to tell her when to step up to the stage.

SENIORS

THE Class of 2005 had many choices to make during its senior year. THEY had to choose a new class president and the people who were 18 had to choose a new U.S. President. As with every year, the seniors had to make life choices as well. As they got near the end of their high school careers, they chose their plans for the future too. WHATEVER we chose for our future, we will always be members of the HHS Class of 2005.

JOSH DENAP VS. RAECHEL HOLTGRAVE

THE BATTLE FOR CLASS PRESIDENT

The class of 2005's president for three years, Raechel Holtgrave, received a challenge for her job in 2004. Josh DeNap ran against her and won with an interesting campaign that included a video involving fire. "I respected Raechel as an opponent, but it's about time a man was in office," DeNap said.

MEGAN SYLVESTER

From day one when you were born in South Dakota to today as you graduate from high school, you've been as inspiration to your mother, brother, and me. We have cherished the past seventeen years with you and are so proud of the

young woman you have become. You are a selfless young lady who will indeed make a great impact on anyone you encounter. We love you! Mom and Dad

TERRISSA REIDELBERGER

You are everything a parent could ask for. Your character exceeds our wildest expectations. You are definitely the "Princess" any parent would be proud of. Don't change your ways and continue to set your goals high. You have the

personality to accomplish anything you want in life. When God was giving out class, he definitely blessed you. Love you always, Dad, Mom, Bobby, and G-ma

KATELYN CUNNINGHAM

We can't believe you're old enough to graduate. It seems like yesterday you were a baby. You have always made us proud and have been a joy in our lives. You are a wonderful daughter and sister and have grown into such a wonderful person. Always keep the traits you possess. They are what make you so special. (You could always lose the being "late"

thing.) We have no doubt that you will succeed and excel in whatever you do. As you find your way in the world, always know that we are here for you. Love You Forever, Dad,

Mom (XOXOXO) Mitch
