Powder Puff Football

HMS female staff can be found in many places outside the classroom, but who ever thought you'd find them on a football field?

Office Divas

These two ladies are the heart and soul of HMS. They greet you when you enter the building, they manage all the attendance and personnel, they keep accurate records of students and staff and they do this all with a smile! Thank you to these ladies for all they do for HMS!

Giving Directions

Dr. Hughes can be found helping students during lunch, before school and after school. But - don't ask him for a bandaid because he might lead you astray!
