# HIGHLAND MIDDLE SCHOOL 2019-2020

# POP CULTURE

A lot of stuff happened this school year, and since you probably don't remember most of it, here are some of the biggest things that happened.

 **TikTok**

Ski is one of those things that will never lose its popularity at HMS!

**WE DARE YOU NOT TO CRINGE!**

## The vsco girls

The bands Rage Against the Machine and My Chemical Romance shocked fans around the world by reuniting and going on tour.

In 2019, a scandal broke out between Tati Westbrook and James Charles that left everyone sister shook.

# Welcome to: 6th grade!

# CLASS OF 2026

The Life of a

# 6th Grader

Six grade might be hard for some, but these sixlets are having fun being in six grade.

Let's take a journey on the wild ride they went on and look back over the school year.

These are wild sixth graders in their natural habitat. Watch as they learn on their new technology. Some say it is called a "chrome book" very advanced.

## *New school, BIG Change*

This transition from elementary to middle school might be hard for some. They now have to be more independent and responsible, but they will also acquire better time management skills. 2 teachers to 6. It's a BIG change.

# REBECCA CAUDILL

Each year HMS participates in the Rebecca Caudill award selection. The Rebecca Caudill Young Readers' Book Award is an annual award given to the author of the book voted most outstanding by students in grades four through eight in participating Illinois schools. The award is named in honor of Rebecca Caudill who lived and wrote in Urbana, Illinois, for nearly 50 years ([rebeccacaudill.org](http://rebeccacaudill.org)).

This year HMS had 54 students read 3 or more books and vote for award. Our readers overwhelmingly selected *Wild Bird* by Wendelin Van Draanen as the best book, but we will have to wait and see if the state of IL agrees.

Students who read all 20 books this year were:

Jackson Cline  
Aerin Chen  
Timothy Comish  
Taylor Dressler  
Bryant Smith
