Mr. Erick Baer  
Principal

"Adding 6th grade to HMS has been a seamless transition. It is going to be great to see them grow over the next 2 years."

Mr. Erick Baer

Dr. Vince Hughes  
Assistant Principal

"I have learned over the years that middle school teachers teach kids. They don't teach math, science, art, music or any other subject listed on the report card. They teach kids. Why? Because they are driven to motivate, entertain and challenge young adolescents to have a better understanding of their potential."

# REALITY STORE

8TH GRADE STUDENTS PARTICIPATED IN THE REALITY STORE GETTING A TASTE OF ADULT LIFE.

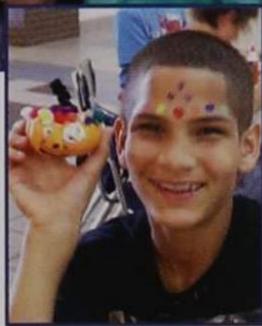

Students picked out their career and lifestyle. They received 'paychecks' to start the day with. They were then able to pick out a place to live, pay expenses and make other life decisions within their budget. At the end of the day they were able to see how much of their paycheck they had left, if any.

Paying Bills

Ryan Horman, Devin Wills and Jakob Gruenenfelder are paying 'bills' to see if their money will last.

Facepainting

Mrs. Sellers helps with facepainting as part of the fall festival fun. Bounce house, sack races and pumpkin painting was included.

# FALL FESTIVAL

7TH GRADE STUDENTS ENJOYED FALL ACTIVITIES AND PUMPKIN DECORATING.

Veterans visit classrooms

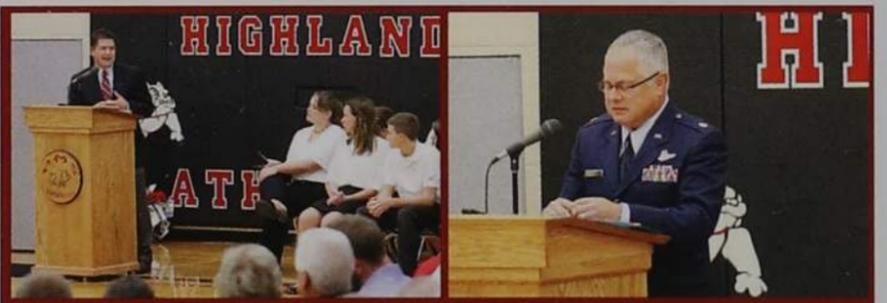

Veterans from every branch of the military came to the all school assembly held.

Students invited veteran family and friends to join us for the assembly.

The Highland VFW came to Post the Colors and attend the assembly.

VETERANS DAY

Monday, November 10, 2014

Students of Highland Middle School shook hands with the veterans and thanked them for their service.

Guest Speaker: Senator Kyle McCarter  
Keynote Speaker: Retired Lt. Col. Ricky Sobrino
