Fr. Pat, Parish Pastor

Dear St. Paul Parishioners,

Just picture it – a Catholic community of believers, praying together, listening to God's call to discipleship and responding generously by seeing Christ in others. Do you really need to picture that in your mind? No, not at St. Paul Parish, Highland. We real – all we needs to do is to watch our people in action: praying together, playing together, working together, serving together and together living our faith.

Each photo of St. Paul parishioners, featured in this pictorial directory, "points a thousand words" of what it means to be a disciple of Jesus Christ.

I am blessed I am to have been called and chosen to serve the people of St. Paul Parish as your pastor. I have not stopped counting the blessings you have been to me. I have found it so easy to love you and be a part of a faith community where our mission as Catholics is lived well and realized so fully. I have come to appreciate your depth of faith, your enthusiasm and joyful spirit and your concern for fellow parishioners.

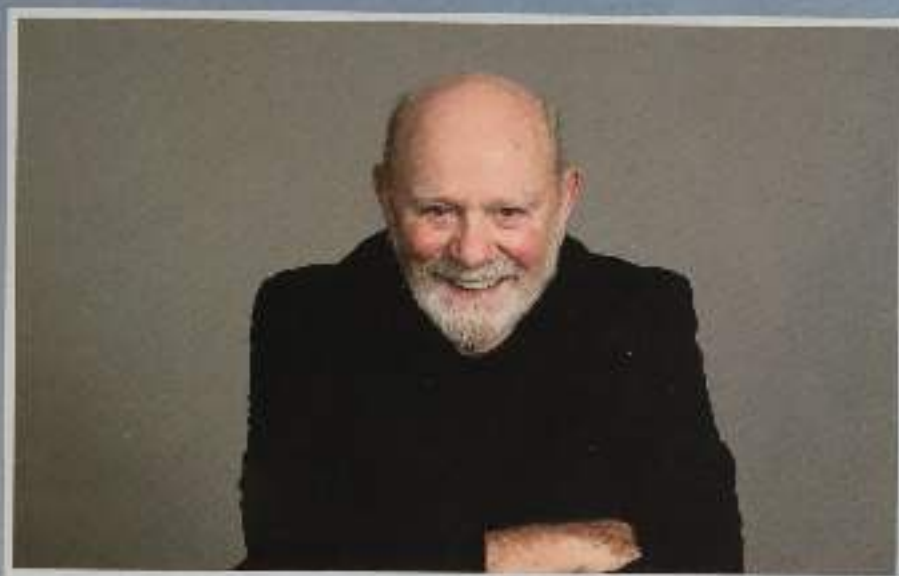

The pages of this directory are a testament to the good work we do together and how we live as a community of faith. This book is our "Gospel" truly lived and a portrait of the integrity of our parish family.

Bottom line is that we are blessed by God and empowered by God's Holy Spirit to actively "live" our faith. That's what it's all about! We pray that, through the example of Jesus and through the intercession of St. Paul, our patron, and encouragement from one another, we will continue to make a difference.

God bless us as we continue to build the Kingdom.

Fr. Pat

A parish is defined as a community of God's faithful. Within these pages you will find the word parish defined by the faces of many who call St. Paul Church in Highland their home church. To all those who made appointments to have their pictures taken, allowed us to take group pictures, submitted pictures of parishioners in action or other photos, we say thank you. You all helped make this a project of love.

And to our committee that gave up precious time to help us enter appointments after mass as well as to register everyone who came in to have their portraits taken, we could not have done it without you. It took many hands to make light work of this endeavor.

We also want give a big hug to the office staff, especially Jennifer Hilling, who went above and beyond the call of duty in wrangling up pictures and playing photographer herself on many occasions.

And lastly, we want to thank the Parish for entrusting us with this undertaking. It has had its challenges, as anything worthwhile always does, but as we said before it has been a project of love.

With gratitude to you all,
 Ange Scott and Paula Rehmeyer
