## Rev. David L. Peters, Pastor

Our parish hinges on the two commandments of Jesus: love of God and love of neighbor. All who follow Jesus are called to live out these two commandments in their daily lives. I welcome and offer this publication as a means to unite our parishioners, ministries and organizations in our efforts to do God's work.

I invite you to review these pages with the love of God and neighbor in mind and with a view to renewing our community by continued devotion to our parish and one another.

In Christ and Mary,  
*Father Peters*  
Rev. David L. Peters

The Church  
is People...

Steve Kerchner  
Executive Manager

Contained in the 1983 Code of Canon Law, Canon 515 defines a parish as a "definite community of the Christian faithful which is established on the stable basis within a particular church". The following pages are composed of our most precious resource, YOU, our faithful, those who make up our parish community.

It is our hope this directory will be used as a tool -- one we may use to further build community and social unity within our congregation. As we near the 150th anniversary of the laying of our first church's cornerstone, let us use this work as a cornerstone in rebuilding our acquaintances, renewing our faith, and sharing our time and talents with our parish and with each other.

It would be impossible to thank all the wonderful people who worked so hard to make this book possible. Many tireless hours were spent doing the innumerable tasks necessary for this publication to go to print. We commend all of you, for without your ceaseless efforts, this reality would only be a dream.

Sincerely,

S. C. Kerchner  
Executive Manager
