the
Viking
for '61

Presented by:
ST. PAUL'S HIGH SCHOOL
HIGHLAND, ILLINOIS
This year’s Viking is appropriately dedicated to St. Paul, the patron of our school. His life of outstanding virtue and courage is a challenge to each of us. May every graduate of St. Paul High follow him in working indefatigably at what they are convinced is right; and may their efforts, like St. Paul’s, be crowned.

... Our Theme
To the Graduates of St. Paul's High School,

Your school is judged by its products. Be worthy of your school and a credit to your church. Show forth your Catholic faith and training at all times and in every place.

Love Christ, love His Blessed Mother, love His Church.

With cordial blessing,

Bishop of Springfield in Illinois
We congratulate the graduates of 1961. We sincerely hope most of the graduates will be going to college. In whatever field your future years will find you, we hope you will have success and happiness. Success in your worldly vocation entails labor, determination, and perseverance. These do not come easily. They are the products of a highly trained will. You must prove yourself to the world.

Happiness is the reward of leading your lives according to God’s plan. Your spiritual training over the past twelve years has prepared you to lead lives which will be a credit to your parents, your school, and to yourselves. Be bold, courageous and morally good in all your works. God and the worldly circle in which you move will reward you.
FATHER LAWRENCE AUDA

"Thou art a priest forever . . ." After his ordination in May, 1960, Father was missioned to St. Paul. He taught Freshman religion, Latin I and II. He was also moderator of the Legion of Mary.

FATHER THOMAS RYAN

Father Ryan came to St. Paul from St. Agnes Parish in Springfield. Besides his priestly duties in the parish and hospital, Father taught religion to the Sophomores and several grade school classes. Some of his "extracurriculars" included guidance in the high school, moderator of the cheerleaders . . . As a businessman he successfully launched the December Carnival and the St. Patrick's Day Party.

Father Auda seems to be getting his point across to the Legion girls.

Father Ryan talks "Carnival" with the Junior Belles and Beau Ties.

How many "statues" in this Crib?

"Don't tell me you don't understand this Latin...?"

IN APPRECIATION

FATHER ROBERT MEYER

As an "alter Christus" Father Robert Meyer spent the past four years of his priestly life at St. Paul, "... in many labors, in watchings, in solici­tude, in anxieties ... as priest, as choir director, as teacher, as liturgist, as confessor, as athletic director. Like the great St. Paul, Father Meyer was an example of true generosity and complete self-sacrifice. Whatever Father did he did ... all in the name of our Lord Jesus Christ ... all for the glory of God." (I Cor. 10, 31)

"... that we might give ourselves a pattern unto you, to imitate us ..." (II Thess. 3,9). Father rehearses with his "monks" for the 11:45 Sunday and 11:35 weekday High Masses.

"... in all things let us exhibit ourselves as ministers of God ..." (II Cor. 6,4). It takes many practices such as this one to train servers to be true Knights of the Altar.
"For we have not here a lasting city, but we seek one that is to come . . ." (Heb. 13, 14). Plans for the Senior Trip were being discussed by Jerre Collins, Father Meyer, and Jim Widman but . . . maybe a rocket trip would be . . .

"All scripture inspired of God is profitable to teach . . . to instruct in justice . . ." (II Tim. 3, 16) The Senior and Junior religion classes profited from Father's daily instructions.

"Know you not that they that run in the race all run indeed, but one receiveth the prize . . ." (I Cor. 9, 24-25). As director of athletics, Father checks the latest developments of the Booster Ads with cheerleaders, Mary Kay Brasel and Sandy Moss.

"Walk in love . . . walk as children of the light, for the fruit of light is in all goodness and justice and truth . . ." (Eph. 5, 9). As part of the Catholic Youth Week activities, cars were blessed to insure safe journeys . . . in Tempests, in Fords, in Ramblers . . .

THE HIGHWAY

Some have come and some have gone.
For twelve rich years you've traveled on.
You've passed the milestones one by one;
You now must choose the path you'll run.

What highway you might take from here—
Religion, family, or career
In skill, profession, far or near—
Walk with St. Paul—have no fear.

Though smooth or rough the path you trod,
We pray your way will lead to God.
