Volume 15
St. Paul High School
Highland, Illinois

1969
We are sinners
  who enjoy life;
We are gods
  who love all;
We are scholars
  who know all;
We are morons
  'who understand little.
We are kings
  who rule many;
We are peasants
  who are the lowest;
We are soldiers
  who die in heroism;
We are peace makers
  who mold the world;
We are lovers
  who woo many;
We are hermits
  who despise society;
We are dreamers
  who are all these;
We are youth

Jerry Pike
The Senior Class of 1969 is taking this opportunity to express its appreciation to Sister Geraldine. A teacher, counselor, and friend, Sister Geraldine has helped us through four long years at St. Paul High.

As a teacher of Biology, Chemistry, and Physics, Sister has instilled in us great knowledge. As our home-room teacher for the past two years she has guided and helped start us on the road of the future.

Sister works hard for and with us, and has such a generous heart - words are a poor substitution for our respect and admiration to her.

Everyone respects Sister and looks to her for help. She is never too busy to stop and talk with a student, or to help the school in any way she can.

The Viking Staff, along with the Senior Class, is proud to dedicate this book to her.

a decisive moment . . . leads to victory!
Election year brought a first to St. Paul High School. The National Problems class sponsored a mock election including a political rally. The strenuous campaign resulted in a marginal victory for Mr. Humphrey!
Honor Assembly

State Representative, Sam Vadalabene addresses the honors assembly

The Administration and Faculty of St. Paul High School recognize the importance of honoring those students who excel academically. Students with the highest grade point averages in each academic subject and those who receive honors are acknowledged before the entire student body. Other awards are also given.
