School Is . . .
Friendship

Coming to school can really be a drag. The one thing that makes it a little more bearable are the people. Knowing that there are people who can care, people who can love, and people who are just there when you need them, can make any school day a little more cheerful. There are many qualities for a friend, so many in fact that it would take more space than this to print them all but the one big quality that makes a friend is SHARING!
O my God! ??

Do your mothers know about this thing you have going between ya?
We've got spirit! S - P - I - R - I - T !!!

We're from St. Paul couldn't be prouder, if you can't hear us we'll yell a little louder!
Two of our proudest and best coaches: Coach Pete Schumacher and Coach Joe Schelling.

RAH! RAH! RAH! Look at those Sophomores cheer! But - you should have seen those Seniors on the other side! CISS! BA! BOOM!
The lunch hour wouldn't be complete without someone "whipping-up" an old family recipe, such as we see here.

"All - Smiles" is about the only way to describe kids enjoying their lunch.
All morning long LUNCH looms in the near future. First period isn't even over and stomachs begin to growl uncontrollably. No matter how much we fight it, lunch period is what keeps us going all morning. It's a time to talk with our friends, mess up their lunches, and best of all . . . to EAT!
"Homework? What's that?"
Although now extinct there was at one time some strange thing students used to do called homework. But don’t worry, word has it that it won’t come back in style for some time!
Shirely will do anything for a cheap thrill!!

Fun

Fun and games in studyhall!!!
School isn't always a "nose-down-to-the-ol'-grind-stone" situation. These are those rare moments when together people laugh, joke, and cut-up. These are the times people long to remember. In the future they'll all think back and say "Hey, you know there were times when we actually had fun!"

Watch out for splinters!
FLASH:
S.P.H. was the victim of a violent protest when students demanded elevators between the 1st and 2nd floors.

Is that what they teach you in a Catholic School?
Required reading for the History Department?!

It's getting so that it's not safe to walk the halls when there's a full moon!
Confucius says: "Girls who skip early should remember to bring the car keys."

When it's dark and at night, I'll come to the window and give you the bite.

There are a million things that a person can escape from. A person can escape from reality, friends, and home. Sometimes though it's necessary to escape from more than these things; when a teacher begins to collect homework assignments for the first time all year, or your locker partner casually places his Chemistry Book on your lunch or your buddies in P.E. class drowning you in the shower after class? Is that what's got you down, baby? Well, then ESCAPE, crawl out the john window."
Sr. Paul High strives to incorporate love into its daily curriculum. One of the most important ways in which love can be incorporated is for all the students to gather at mass. Here body and soul is merged with God. Students join in song and prayer out of love of God and out of love for each other.

SMALL SOCIETY

Sam Swartztrauber, the man behind the group, who serves as director, co-ordinator, and a guy the kids really look up to.
Bill Shelton a black belt in Judo pointed out the finer points of his art.

Mrs. Oriez participated in the career day program. She spoke to the students about a newspaper career.

Mr. Geismann told interested students about career opportunities in law.

STUDENT COUNCIL ACTIVITIES

Mr. Johannes and Father Spriggs receive Christmas gifts from you know who.

The student council sponsored two slave days as fund raising gimmicks. Professional auctioneer, Tom Reinacher, graciously performed the rites.

Peggy Earnhart won Dumbo the elephant in a raffle sponsored by the student council.
Life at St. Paul involves many different aspects. Changes in the teaching staff often occur mid-year. This year the change was very exciting for the girls. P.E. class became an experience, involving dancing, balancing and exercising.

Mrs. Izor was the Innovator.

Some students participate in local contest. This year Jerry Geiger won second place in the local VFW oratorical contest.

A hush fell over the crowd as the band began the overture of Roger's and Hammerstein's Broadway hit, OKLAHOMA. Backstage, performers jittered about, mumbled lines, and exchanged quiet looks of excitement. The night of the performance finally arrived after grueling hours of practice and prayer. Nervousness was lost as each person stepped onto the stage as territory folk of OKLAHOMA. The stage was set for three hours of laughter, musical excitement, and enchantment as the Choral, Drama, and Band Departments presented a brilliant performance of OKLAHOMA!

Well, here they are - the boys on the team. These super varsity players really showed their stuff this year, thanks to them, the 1970-1971 season was a joyous and memorable year. One that I'm sure no one will easily forget.

Varsity

These handsome young men were part of the great underlying strength of our Varsity players. They always started first and ended first. Without the help of the Junior Varsity S.P.H. would lose a lot of great team strength.

Captain Steve giving Coach a pep talk about Jill!
Coach giving pep talk about Vikings.

Smile pretty guys! Cause you won first place this year in the conference. And that's enough to make any Freshman proud! Right?

This is Viking Country - I thought it was Highland.
Let's see now . . . what were the 5 rules for making points?

1) Take the ball in your hands
2) Look at the basket
3) Concentrate
4) Aim
5) Shoot . . . I think!

I can't understand why I'm still so bull-legged, I've spent four years in Mrs. Izors' dancing class.
I've got it ... now what should I do with it??

What the ¢$!?!, who took that ball?

The 1970-71 school year started off with a bang as St. Paul's Baseball team won game after game. The VIKINGS not only started off a great year but also ended a great baseball season by bringing home the Conference Title, for the second straight year.
Sit-ups are just a part of the exercises necessary to get ready for a track meet. (see, girls, P.E. classes weren't so hard after all)

Some people just never know when to stop. Thanks to them we had one of the best track teams around.

CROSS COUNTRY. There's a lot of meaning in these 2 words. They mean agility, strength, and stamina. To be a runner for Cross Country you've got to work hard at what you do, and always remember that "speed is of the essence."

I can almost taste that good ole gatorade!

Jim Kayser
People create the spirit; Spirit creates the school. St. Paul is noted for school spirit, but behind spirit there has to be people pushing. Without the enthusiasm of these people, spirit at St. Paul would have taken a serious lull, but thanks to them, spirit was at an all-time-high. This was proven when St. Paul’s cheerleaders and the pep club took first place at the annual Bi-County Conference Game; Coaches vs. Alumni for the second straight year.

GIRL VARSITY CHEERLEADERS ARE; Left to Right BOTTOM: M. Wetzel, A. Wiegand, M. Carrillon, S. Ribbing, B. Bellm, and S. Mersinger.

BOY VARSITY CHEERLEADERS ARE; Left to Right BOTTOM: R. Zobrist, O. Jakel, D. Kampwerth, R. Frey; M. Durbin, and D. Zobrist, TOP.
Some people think that it is a girl's job to organize cheers, conduct pep rallies and cheer at games. These boys evidently didn't get the word because they were right out there cheerin' with the best of 'em and doing a darn good job of it.

These eight people organized this year to form St. Paul High's first pep band. They boosted the enthusiasm, not only of the students for S.P.H. students as well as for students from other schools.
