All-star Champion, Sister Jean.

Doctor Jeckel at work.

I can't pose now, I'm late for class.

No, Mike, D.T. not P.E.

Everyone listens to Sister Jean, even Brian.

We, the class of "74" would like to thank Miss Bauer and Sister Jean for all their help in making our senior year the greatest. We never could have become the confident people we are without you. You both stood by us, even when we failed. Because of you, our September will be a good September to remember.

Thank you,
The class of "74"
No, Miss Bauer, I'm still here.

No, Miss Bauer, come back we promise we won't tear up the Homeroom again.

Try to remember that kind of September, When life was slow and oh, so mellow. Try to remember that kind of September, When grass was green and grain was yellow. Try to remember that kind of September, When you were so tender and callow fellow. Try to remember, and if you remember, then follow...
can you remember

Well, Buckaroos, the old Duke is back in town.

Pictures? What pictures? I don't see any pictures.
The martians have just invaded our planet.
Is this where you try out for the Golddiggers?
Him Tarzan, her Jane, Me Chico.
I like your singing JoAnne, but when you hit High C...
Two minds with a single thought.
Ray, I hate to see you get so excited.

I have work on the side.
try to remember when life was so tender
that no one wept except the willow.

And here is my boy Jake.

Take your pick, sweetheart.

And now from Patricia Stevens finishing school . . .

What's so interesting Liz?

I've heard of Siamese twins, but this is ridiculous.

I'm on the top of the world.
try to remember when life was so tender that dreams were kept beside your pillow.

I could have danced all night.

When I was 18, it was a very good year.

You mean I'm supposed to use paper? Oh no!

Kevin and Kevin Christmas Tree Ornaments, Inc.
Aren't they the cutest little couple?
try to remember when life was so tender
that love was an ember about to billow.

My, isn't this exciting!

A very interested and well pleased audience.

The heart warming story of a boy and his pig.

Interesting ceiling this time of year.

Parting is such sweet sorrow.

I'm so embarrassed!

deep in december, it's nice to remember,
although you know the snow will follow.

But Joey, Mother never told me about ultrabrite.

One little, two little, three little Indians.

Oh you ...

Do you guys smell something?

Excedrin headache number 497.
deep in december, it's nice to remember
without a hurt the heart is hollow.

Is sister gone yet?  All is quiet in the library.

Aw, guys you shouldn't have done it.

Did you guys just brush your teeth or what's the deal?

Happy days are here again.
deep in december, it's nice to remember
the fire of september that made us mellow.

In public?

My lips are sealed. (with glue?)

I got it! 5+5=10.

What grace!
What style!

Just because I hit a wrong note, you don't have to take my horn!

We've been trying for half an hour, and there's still no bubbles*

Are you sure that is the right end?

Bob, That's a snare drum, not a bar stool!
I forgot my number.

I like being here because I learn many things. I learn English because I talk to many people and I learn about customs of American people. I also learn about food which I like. The thing I like the most is meeting and making new friends. It is like having a new family. I wish everyone could have a chance like this.

Love,
Katia Pio da Silva

I'm very happy because I like St. Paul very much! I am enjoying it because everybody is very friendly and I like them very much. I am learning a lot and day after day I have many experiences. I think that this is excellent for everybody because experiences I have are very good for life. There is no word to express how I feel about people here.

The entire cast gathers for the finale.

That's the longest ball I ever saw.

Six months out of every year.

How would you like to be the world's greatest baseball player?

And here they are.

We didn't invite the press.

I get what I want.
I wish he would listen to me.

Quiet, please.

Who's got the pain?

Those were the good old days.

Don't fall over, Don.
Two lost souls.

Leave me alone.

You've got to have heart.

Come on, girls, show them how it's done.

Do you love me?
Music Director, S. Elsa.

Director, Mrs. Peg Willimann.

Choreography, Mrs. Izor.
Now modeling the latest in beachwear, Mr. Kayser.

Good-bye, Mom and Dad!

Our lovely and talented tour-guide.

A rose for your girl while you are on Bourbon Street?

Now that's what I call getting away from the crowd.

Sam, you're dancing on my toes!
You're supposed to ride the bus, not take it apart.

We await your instructions, o fearless leader.

Your bag, ma'am.

Must have had a gooood time.

What a babe!

Goog seems to be doing alright for himself.

If my friends could see me now...
... and if everyone lit just one little candle, what a bright world this would be.
Well, we finally made it!!

Let's see what you got there, Son.

Yeh Mom and Dad, it's signed.

Aw shucks, there was nothing to it.

For yesterday is but a dream, and tomorrow is only a vision, but today well lived makes yesterday a dream of happiness and every tomorrow a vision of hope...
