DEDICATION

To ST. PAUL, dynamic patron of our school, we lovingly dedicate this 1956 VIKING.

One of the most active workers of the early Church, ST. PAUL journeyed through many lands, teaching and writing with the fiery spirit of Catholic action which is our heritage.

The SHIP on the "Senior" title page depicts ST. PAUL'S voyages with the assurance that he will be with the Class of '56 as they begin their journey on the stormy seas of life. His writings are symbolized on the "Classes" page with BOOK and QUILL and the active life he led in traveling and teaching, on the "Activities" page with a MAP of his journeys. Last of all the driving spirit which was characteristic of ST. PAUL'S life is symbolized in a SWORD and a flash of LIGHTNING on the "Sports" page.

May the spirit and zeal of ST. PAUL be manifest in each of us as we follow in his footsteps. May our lives, too, be a reflection of his dynamic power for good.

Within this Annual we present the students of 1956. To this happy group in the springtime of life, we dedicate these pages. With this dedication we also express our gratitude to their sacrificing, loyal and efficient teachers.

Since the inauguration of our four-year accredited high school in 1930, five hundred and forty-nine students have passed the scholastic test and have taken their places in the world. They are graduates of an educational philosophy which fuses the human with the divine. Concomitant with secular growth, their school has nurtured in them a refined spiritual development. This secular and spiritual training form the perfect education.

The faculty rejoices with these graduates. Like the artist, the poet, and the author who view with complacent satisfaction the products of their hand and mind, so, too, the faculty takes pride in the finished efforts of their love and care, the trained minds and souls of those who have received the final honors of their school.

Soon another graduation class will appear before the annual academic spotlight to receive the final approval of their school. They leave their youthful chores and dream world and step into a world of reality, struggle, and competition. It is our sincere wish that their twelve years of training have prepared them to meet the problems of this life efficiently. Their joy is our joy and their honor is our honor and the honor of their school in the years which lie ahead.
Congratulations, Seniors, on the well-chosen theme of your Yearbook. Truly we wish you to be a power for good in this world. ST. PAUL, your patron, sets the example. Before you leave these hallowed walls of St. Paul High School, recall again the words of ST. PAUL to the Corinthians,

XIII, 1-7: "If I should speak with the tongues of men and of angels, but do not have charity I have become as sounding brass or a tinkling cymbal. And if I have prophecy and know all mysteries and all knowledge, and if I have faith so as to remove mountains, yet do not have charity, I am nothing. And if I distribute all my goods to feed the poor, and if I deliver my body to be burned, yet do not have charity, it profits me nothing. Charity is patient, is kind; charity does not envy, is not pretentious, is not puffed up, is not ambitious, is not self-seeking, is not provoked; thinks no evil, does not rejoice over wickedness, but rejoices with the truth; bears with all things, believes all things, hopes all things, endures all things."
