of
1960

St. Paul High
Highland, Ill.
1959
To the Students of St. Paul High School

Your school gives you a good, sound, up to date education. Better than that, it gives God His proper place in education, the first place, and promotes your growth in faith, piety and virtuous living.

In and out of school, as students and graduates, show forth your religious conviction and training in your conduct. Be worthy representatives of your school and your church.

With cordial blessing,

[Signature]

Bishop of Springfield in Illinois
Twelve years of scholastic and religious training in St. Paul’s school are over. We hope many of you will continue your education in a Catholic College or University especially in the professional fields.

Now you are adults. The future is before you. You will, for the rest of your lives, travel two parallel roads. The one leads to worldly ambition and success—a legitimate goal for every graduate. The other road leads to God. To travel both roads successfully will demand work, courage, perseverance and, above all, Christian character. Your training at St. Paul’s schools has prepared you for life here and hereafter.

The prayers, love, and wishes of your parents, your priests, your teachers, and your friends accompany you on your journey.
