The graduates of 1963 leave their youthful dream world to assume their responsibilities in life. The tender nurturing of twelve years are over and from now on we await the flowers and the fruit. The flowers will be their deeds of virtue and the fruit their accomplishments of honest toil. God has claim to the flowers. Tho world has a right to the fruits.

Knowledge gives facility and insight into cold facts and events. Religion gives the ultimate purpose of life. The fusion of the secular and the divine is the philosophy of education in St. Paul School.

We congratulate the graduates and we also express our sincere appreciation to the Sisters and Lay Teachers. The finest appreciation the graduates can give to these is that their lives down through the years reflect honor to God and to their school.

With a feeling akin to the pull at the heartstrings, which good parents experience when son or daughter leaves home, we bid Godspeed to the graduates of 1963.

Msgr. Wm. B. Whalen

IN MEMORY OF

RICHARD JACOBER

He left his class of 1963 on July 6, 1961. He met his death tragically in an accident on Route 160.

Rich showed himself a master of basketball when he stepped onto the basketball floor. He played on the varsity during his two short years at St. Paul.

Rich will always be remembered and loved by his class and everyone else who knew him.
MATTER

Creativity man through the ages has constantly tried to better himself and his environment through the rearrangement of nature's elements. The quest is never-ending. Through discoveries and progress made in the past, man has been able to accomplish the intricate compoundings of nature's elements which promise even greater advancements for the future.

MATTER is anything that has weight and occupies space. Every thing around us, which we cannot see or smell, is matter. Since it has weight and occupies space, it can be measured.

ALL MATTER CAN BE COMPOUNDED.

Mr. Engelsby presents the top salesman prizes to Rosaleen Kelly. She helped lead the Juniors to the coveted top class in sales.

Seniors Ray Krapf and Jim Scholl helped distribute prizes to many other ambitious student salesmen.
The ring ceremony was a memorable evening for the seniors. They received their rings which were blessed by Monsignor Whalen in St. Paul Church. Following benediction, the parents and friends of the seniors went to the assembly room to congratulate them. The dance and decorations were sponsored by the freshman class.

The Seniors dedicated themselves to Our Lady and paid tribute to her.
John Thol and his parents discuss a possible future at St. Louis University with their representative.

Girls interested in Fontbonne College listened to Miss Niemeyer outline the majors, minors and other possibilities of the college.

Maybe "Uncle Sam" has some interesting views. Other colleges and universities represented were St. Francis, Joliet; Webster College, St. Louis; Quincy College, Quincy; Lewis College, Lockport; St. John's Nursing School, Springfield and St. Joseph's Nursing School, Alton.
