But There Never Seems To Be Enough Time To Do
The Things You Want To Do Once You Find Them. I've Looked A-Round Enough To Know That You're The One I Want To Go Through Time With.

Vol. 21

St. Paul High Highland, Ill.
In Thanks and Appreciation, the Class of 1975, would like to dedicate this yearbook to you, Sister Susan and Mrs. Dorton. You stood by us in all times, good and bad. We shall remember you when we look back on our Senior Year which was made special by all your thoughts, ideas, help, and most of all your caring.

We always knew you weren't all there!

All right, people.
SOMETIMES SERIOUS

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then,
Again, I would spend them with you.

If I had a box just for wishes
And dreams that had never come true
The box would be empty
Except for the memory
Of how they were answered by you.

SOMETIMES HAPPY -
that's our Sister Susan!

Did you know.....?

Huh, how do you like that?

that darn popcorn!

Lynn is this why you went on your diet?

Patty it can't be that boring!

Could it be Mo, Larry, and Curly?

Don't eat your book, Mark it's almost lunch time.

In between mods Linda?

It never fails we always get Pictures of you guys drinking.

Senior class officers.

Sue I've heard of stage fright but isn't this going a little too far.
From the top, one more time.

Joe, don't get so embarrassed you're still the cutest guy I know.

Hear no evil, Speak no evil.

Archie we'll be out sooner than you think.

Cheryl rolling crepe paper can't be that funny.

Viv's in one of her crazy moods. So what's new.

Ring Ceremony
Receiving our class rings marks the passage of Time, in our lives. Our rings symbolize the past with its tears and laughter. They symbolize the future with its promises and hopes. The moment in time that is most important to us is NOW--THIS IS OUR TIME; to grow, to live, to be the men and women of tomorrow--Today.

Miss Carol Meyer-Special Maid and Mr. Jack Wetzel-Special Escort.

Royalty and Court Dancing

Queen Maribeth Clancy and King Darrell Stoecklin.
Three students participated in Co-op this year. They were Sue Koerkenmeier, employed by Farmers and Merchants Bank, and Cindy Hemann and Brenda Hellrung, employed by St. Joseph's Hospital.

The students used the Co-op program along with their other school courses and activities to gain on-the-job experience which could prove to be a big help when seeking employment after graduation. The girls worked during school hours. They received a grade in school from their teacher and also a grade from their employer.
At the Collinsville Vocational Center, St. Paul Students take courses which are related to specific occupations. These learned skills can lead to successful employment. St. Paul, along with students from Collinsville, Edwardsville, Highland, Lebanon, Triad, Livingston, O'Fallon, and Worden, meet at the Area Center 2 hours a day, 5 days a week during the entire school year. St. Paul students and their courses during '75-76 are: Dale Geiger, Gary Luber, Electronics; Russel Kloss, Auto Body; Joe Koisher, Rick VonHatten, Welding; Kim Sparlin, James Lange, Machine Shop; Mark Stock, Richard Orlez, Graphic Arts; Alan Thuenemann, Architectural Drafting; David Jacober, Auto Mechanics; Nancy Klaus, Judith Lange, Nurses Aid; Alan Kruep, Steve Knebel, Carpentry; Maribeth Clancy, Accounting; Sharon Basler, Kay Donnelly, Machine Shorthand; Teresa Walter, Data Processing; Mary Ellen Schleper, Food Services; Steve Kloss, Air Conditioning; John Todt, Merchandising.
Collinsville Vocational Center

Richard Oriez, enrolled in Graphic Arts. This course provides the fundamental knowledge and skills in the use of various composing machines, the mechanics of photolithographic cameras, the fundamentals of halftone photography, the mechanics of lithographic negative stripping and plate making, and the principles and applications of offset lithography. It also includes the training in the use of inks and binding devices.

Steve Kloss, Air Conditioning. This program is designed to provide classroom and shop experiences which enable the student to become proficient in the installation, repair, and maintenance of commercial and domestic air-conditioning systems. This course is also planned to provide basic skills and technical knowledge in the fabrication of metal for construction and industry. In addition to practical work, each student will receive class instruction in pattern layouts, related theory, and related mathematics.

Gary Luber, Electronics. This vocational program provides the specialized classroom, laboratory, and practical experiences which are concerned with the basic elements of vacuum tubes and circuitry; using and servicing testing equipment and trouble shooting circuits. This field also includes radio, television, telephone, and other forms of communication: industrial recording, indicating and controlling devices.
Southern Illinois University at Edwardsville has established a program for Early Admission of Selected Secondary Students who have successfully completed their junior year. Each student is recommended by his school officials and selected by a University Committee. The students selected for the program may forego the senior year in high school and gain admission as regular students. If the student has achieved a satisfactory record, he will at his option continue his work as a University student or he will return to his high school to complete the work of his senior year. In either case the credits earned will be additive to his later University record.

Mark Harris, Jack Wetzel, Vivian Isert, and Nancy Wilhelm participated in the Early Admission Program. They felt it was a great experience and a chance to meet people. Mark Harris and Jack Wetzel enrolled in Anthropology and Economics; Vivian Isert took Western Civilizations; and Nancy Wilhelm studied Introduction to Modern Foreign Language, Art Appreciation, Anthropology, Sociology, and Western Civilizations.

Back Row: L-R: Mr. Litteken, Rich Hogg, Steve Ribbing, Del Luber, Jim Lengermann, and Bob Daiber. Front Row: L-R: Artie War­necke, Mike Cygan, Mark Capelle, Paul Hensler, and Gordon Jakel.
The Viking Baseball team began practice very earlier, and their countless efforts proved to bring a successful season. A fine season is attributed to seniors Joe Koisher, for his sensational hitting, and Jeff Hebrank, for his running ability. Through bad and good calls by the umpire, long bus rides, cracked bats, and spotlessly clean uniforms, the team had a great season.
Although not always victorious the girls gained much experience, set many new records, and enjoyed being a part of the St. Paul Athletic Department. Because of Miss Morrow's confidence the Girl's Track Team put forth their best effort against their stiff competition.

The boys track team, consisting mainly of underclass, had a successful season. The spectators were always pleased by their performance. Some of their opponents were Mater Dei, Marquette, Highland, Carlyle, Wesclin, Triad, Dupo, and Lebanon.

The 1974-75 Cross Country Team finished first every time in the eyes of their school, fans and friends. Many times they ran through the treacherous home course at the VFW and risked their lives on "Suicide".
Varsity W L

Keeping warm and comfortable.

Last minute instructions.

It's not that bad coach!
Hey Louis, this is not a ballet class.

What is so interesting, Jeff?

Why doesn't he pass the ball to me?
Cheerleaders

Many long hours of practicing cheers, chants and pom-pom routines were proven effective because, the girls did an excellent job at all the basketball games. At home and away the squad was always cheering the Vikings on to victory. The girls placed second in varsity competition at a cheerleading camp at Anderson College in Indiana. And for the sixth year in a row the 1974-75 St. Paul Cheerleaders have held the first place cheerleading trophy in Bi-County Conference.

Senior Night

Cheer, cheer for dear old St. Paul
Let your proud voices
Ring through this hall
Send a rousing cheer on high
Shake down the thunder
From the sky
What though the odds be great
Or small
Old St. Paul High will win
Over all
While our loyal sons go marching
Onward to victory
ALL TOGETHER

Remember... a heart is not judged by how much you love, but by how much you are loved by others.

The Wizard of Oz

Somewhere over the rainbow.

Be gone! Before someone drops a house on you.
Pardon me, but that is a very nice way.

Would you like to go with us to see the Wizard?

Oh, the Jit-ter-bugs.

Bell out of order, please knock.

Wouldn't you feel degraded to be seen in the company of a Cowardly Lion?

Help! Help!, It's a Lion.
The Ozian Army always in step.

Courage?

The Skeletons.

Did you just hear what I just heard?

Metro-Golden-Mayer, mum.

The witch is dead.
And for you lion, The Triple Cross for courage.

But what about Dorothy?

The Wizard, taking Dorothy back to Kansas.

There's no place like home.

Beauty is in the eye of the beholder.
The Girl's Athletic Association sponsored many activities this year with the help of their seventy-six members. Included in this list of activities are:
Camp out at Carlyle Lake
October 26 and 27
Student-Faculty Volleyball Tournament
Christmas Talent Show
December 21
Backwards Valentine Dance
February 14
Girl's Intramural Basketball Tournament
Teenagers Encounter Christ. That is just what happens on a TEC weekend. Founders of TEC believe that Teens can communicate with each other better than with other age groups. In trying to establish a Christian identity, a teen is fearful of sharing deep experiences with anyone and lives in almost unhealthy introspection. TEC is a weekend of meeting Christ Himself and Christ in your neighbor. TEC is a weekend of unforgettable experiences and people.
The Student Council is an organization made up of students who work for their fellow students. The Student Council is the students' voice in how the school is run. They also sponsor various events such as a trip to Six Flags, a trip to MRF to see Black Oak Arkansas and James Gang, a swim party, Student Council week which included Intramurals and the election of next year's Student Council. There were also assemblies for Multiple Sclerosis, March of Dimes, Motivation, as well as the assemblies for the candidates' speeches. One of the goals that the Student Council had set at the beginning of the year that they accomplished was getting a place to sit around and play cards, talk, or just plain relax. Room 21 was this place.
SENIOR REPS: Lynn Moenster, Cheryl Kantner, Nance Wilhelm and (Missing) Jack Wetzel.

JUNIOR REPS: Louise Thole, Tom Stratmann, Nancy Heimann, Greg Hebrank.

FRESHMEN REPS: Pam Kloss, Diane Meyer, Julie Hildenstein, Diane Conrad.

Familiar Scenes in RM 21?
The St. Paul High School Band under the direction of Sister Pamela Holmes spent many long hours in preparation for the concerts, which were given on December 15, and on May 9. The Christmas Concert consisted of the following musical numbers: Ben, All I Have to Do is Dream, Cherish, El Condor Pasa, and Alla Barocco. The Spring Concert was entitled "Music is..." Some of the pieces performed were: The Entertainer, The Sound of Music, and Kid Stuff.

The Freshmen Chorus.
The yearbook staff of the St. Paul '75 Yearbook spent many long hours trying to meet our deadlines and trying to find big erasers to fix all of our mistakes. Our yearbook assembly at the beginning of the school year started everything off. Throughout the year, staff members could be seen sneaking through the halls hiding behind a camera waiting for that 'perfect picture', or sighing over "favorite pages". With our staff advisors Miss Bedford and Mr. Bank, we all managed to keep our sanity! By the way, anyone willing to contribute erasers for next year?

Mr. Richard Bank, Advisor

Miss Barb Bedford Advisor

Cindy Bellm, Lynn Moenster, Co-Editors.
Intramurals was held to promote school spirit and to "just have fun!" Some of the sports the students participated in were tug-of-war, hockey, softball, basketball, and volleyball. We took a day off from school so that the teachers and students could get to know each other better.
On Sunday, May 18, 1975, at 6:00, the annual Recognition Dinner was held in the gymnasium. Awards were given to the outstanding academic and athletic participants. The guest speaker was Mr. Joe Cunningham, Director of Sales for the St. Louis Baseball Cardinals. He was a first baseman and outfielder for the Cardinals. His speech was basically concerned with the thought, athletics should be a part of our daily lives.

Guest speaker, Joe Cunningham

The head table

Thanks, Lite!

Veterans of Foreign War and Auxiliary Voice of Democracy Award Steve Landmann

Cindy Hemann winner of the Miss Viking Trophy. This award originated this year and was given to the young lady who participated in athletics such as: cheerleading, girl's soccer, and girl's track.

FAVORITES
If I could save Time in a bottle
The first thing that I'd like to
do is to save every day 'Til
Eternity passes away just to
spend them with you

If I could make days last
forever If words could make
wishes come true I'd
Save every day like
a treasure and then
Again I would
spend them with
you

But there never
seems to be
enough time to do
the things you want
to do once you find
them I've looked
around enough to know
that you're the one I
want to go through time
with

If I had a box just for wishes
And dreams that had never
come true the box would be
empty except for the memory
of how they were answered by
you
Autographs
