CLASS OF '84

The Class of 1984's ring ceremony was during the end of their Junior year. A special ceremony was given to the Class of 1984 by the Class of 1983. In recognition of the changing of hands of leadership and responsibility each member of the Class of 1983 gave each member of the Class of 1984 a candle. The Class of 1984 was to now take over the duties of the former senior class.
RING CEREMONY
Early in the Beginning of the 1983-84 school year a special ceremony was held in recognition of the Senior Class. The Class of '84 was said to be a class that was daring yet caring of others. Each Senior received a rose which they in return gave to a person whom was special to them during their High School years.
"SEND IN THE CLOWNS . . ."
DON'T BOTHER THEY'RE HERE.
HOMECOMING, 1983: On November 19th, St. Paul High School presented “Send In the Clowns” as the year’s homecoming theme. Gary Long and Karla Camillo designed the theme which transformed the gym into a huge circus tent painted red and white, complete with balloons and clowns.

Keeping with a time-honored tradition, the ceiling was lowered with a crepe-paper canopy of red and white, which gave the gym an appearance of the inside of a circus tent.

Highlights of the homecoming were the boy and girl clowns painted on the rear stage wall, the unique picture of a carnival, complete with twinkling lights, which served as a background for pictures, and John DuBay as an escort clown for the court maids.

Homecoming ‘83 was full of fun and excitement, and just like a circus, came and went quickly but left behind many happy memories.

On April 7, 8, and 9 of 1984, St. Paul presented its annual spring musical. This year’s selection was BYE BYE BIRDIE, the story of a rock singer who has been drafted into the army and a fan-club member chosen to receive his “last Kiss.”

Directors for BYE BYE BIRDIE were Ms. Laura Yann, Mrs. Luanne Murphy, and pit band director Mr. Jim Neyer.

Many thanks from the cast, crew and directors to all those who made our production a success, from the seventh-hour freshman studyhall who helped put up the stage extension, to those who served ice-cream to the senior citizens during the special dress rehearsal. You helped to make this a special time for all involved.
YEARBOOK STAFF

THE VIKING LOG

The Viking Log staff was comprised of senior class members who took turns writing about the happenings around St. Paul's for the weekly newspaper, The Highland News Leader. The staff members wrote in pairs, and each had the responsibility for coming up with two or three items of interest for each column. Not only did this keep the community aware of activities at St. Pauls, but added to the senior class treasury as well.

Each year, as a test of their "ability" in physics, class members construct and attempt to fly a kite of their own creation.

Trash bags are the popular material, and the sizes are varied. As you can see, some kites flew, and some were only decorative.
