DEDICATION

This CLASSIC edition of the ST. PAUL VIKING is dedicated to all who have ever been part of ST. PAUL HIGH SCHOOL...

Administrators and Parents Faculty Members and Students Friends and Staff Members Priests and Parishioners. MOST ESPECIALLY, we dedicate this yearbook to the 1985-86 JUNIORS SOPHOMORES FRESHMEN and SENIORS who carry the HEART of ST. PAUL with them as they GO FORTH.
Dear Graduates,

Much about your principal of your final year in high school will be deservedly forgotten. But as I strive now to put on paper words that will remain as years pass and as young dreams meet reality, I can do no better than to say with our patron, St. Paul, “I have no more to say, brethren, except this: Draw your strength from the Lord, from that mastery which his power supplies.” (Eph. 6,10)

You know not what awaits you. You know not what the wise Providence of God has arranged for you, what joys and especially, what sufferings Our Lord will ask of you. In life, we are always just a step away from a corner, around which we know not what awaits. Our question always is whether we will be equal to the demands, whether we will walk resolutely and uprightly through thick and thin, through fair weather and foul.

St. Paul provides the answer. There need be no fear if we draw our strength from the Lord. This you have done in the years which have passed, from the moment in baptism when God first sent the spark of Christ’s life into you and through all those moments when the strength of Christ has been enlivening you. Through the sacraments and prayer, through the good example of saints living and dead, the strength of the Lord has changed a frail and fragile you into the strong stalwart of God. Particularly, the grace of a Catholic education has pointed you most unmistakably toward the source of power with which to steady your step in the unknown future.

We confidently hope that the power of the Lord given you through your Catholic education has produced the mastery of which St. Paul spoke. We would like to think that St. Paul is graduating in 1986 a class of masters, masters in the wonderful art of living. This is our prayer for you, that such will be the mastery you have from Christ that you all will, by your lives, render visible again the Invisible God.

Sincerely yours always,

SENIORES
SENIOR CEREMONY has become a tradition at St. Paul. It marks the beginning of the seniors' special year of leadership and learning. Friends, family and faculty gather to pray with and for the seniors. During the ceremony the junior class presents a rose to each senior. In turn, the seniors share the roses with special people in their lives.

At the reception for seniors, family and friends after the ceremony, Alaine, Debbie and Mary take time to pose for the camera.
